Night World No. 3: Huntress, Black Dawn, Witchlight (Night World Boxset)

By L.J. Smith

The Night World isn't a place. It's all around us. It's a secret society of vampires, werewolves, witches, and other creatures of darkness that live among us. In the third bind-up of this series, the Night People are preparing for the apocalypse to destroy the human world. Four teenagers have been given special powers to prevent the impending destruction, but first they, and their soulmates, must survive. In *Huntress*, a hunter—who is half vampire—stalks other vampires to protect humans. A vampire prince falls in love with a girl he enslaves in *Black Dawn*. And a shapeshifter must protect a rebellious teenager in *Witchlight*.
