### The Bright Forever: A Novel By Lee Martin

On an evening like any other, nine-year-old Katie Mackey, daughter of the most affluent family in a small town on the plains of Indiana, sets out on her bicycle to return some library books.

This simple act is at the heart of *The Bright Forever*, a suspenseful, deeply affecting novel about the choices people make that change their lives forever. Keeping fact, speculation, and contradiction playing off one another as the details unfold, author Lee Martin creates a fast-paced story that is as gripping as it is richly human. His beautiful, clear-eyed prose builds to an extremely nuanced portrayal of the complicated give and take among people struggling to maintain their humanity in the shadow of a loss.

Reminiscent of books such as *The Little Friend* and *The Lovely Bones*, but most memorable for its own perceptions and power, *The Bright Forever* is a compelling and emotional tale about the human need to know even the hardest truth.

*From the Hardcover edition.*
