Throne of Glass By Sarah J. Maas

In a land without magic, where the king rules with an iron hand, an assassin is summoned to the castle. She comes not to kill the king, but to win her freedom. If she defeats twenty-three killers, thieves, and warriors in a competition, she is released from prison to serve as the king's champion. Her name is Celaena Sardothien.

The Crown Prince will provoke her. The Captain of the Guard will protect her. But something evil dwells in the castle of glass--and it's there to kill. When her competitors start dying one by one, Celaena's fight for freedom becomes a fight for survival, and a desperate quest to root out the evil before it destroys her world.

Editorial Review

Amazon.com Review

Amazon Best Teen Book of the Month, August 2012: Adarlan's Assassin was the most feared killer in the world--until she was captured and sent to a prison labor camp to rot. But when the Prince needs a skilled fighter to battle in the royal court and become the King's Champion, he pulls the assassin out of prison only to find she is a blonde 18-year-old girl. Celaena is as beautiful as she is deadly and she jumps at the chance to earn her freedom. Her mission seems straightforward: be the last (wo)man standing at the end of the competition. What she doesn't expect is to develop feelings for the two men protecting her and to make an unlikely ally in a princess. Sarah J. Maas' debut is stunning from beginning to end. *Throne of Glass* stands out because of its memorable setting (there is actually a castle made of glass), strong characters, and continuous heart-stopping action sequences. Celaena is a heroine as memorable for her fighting abilities as she is for her quick wit and large heart and I can't wait to see her grow and change throughout this exciting new series. --*Caley Anderson*

From School Library Journal

Gr 9 Up-Celaena Sardothien may be young in years, but she has seen more than most men twice her age. She was raised to be an assassin and until her capture and imprisonment in the salt mines of Endovier, she was known as the Assassin of Adarlan and feared the world over. No one lasts long in the mines, and when she is offered the possibility of release in exchange for a mandatory, four-year conscription as a hired assassin to the king who conquered and enslaved her people, she has no choice but to comply and play a brutal game to win back the chance at freedom. In order to succeed she needs to outfight, outplay, and outlast 23 men in a competition that many would not survive. There are other forces at work as well: an ancient and outlawed magic that she doesn't understand; fellow competitors turning up murdered; and the three very different men who are attracted to her and frightened by her. Maas has created a strong and sympathetic character in Celaena, who is able to best men in a fight but is laid low by the return of her monthly cycle. The world-building is complex, as is the political intrigue. Fans of Tamora Pierce will find a lot to love here and will wait eagerly for the next installment.-Genevieve Gallagher, Charlottesville High School, VA(c) Copyright 2011. Review

"Readers seeking the political intrigue of Kristen Cashore's *Graceling* and its sequels or the deadly competition at the heart of *The Hunger Games* will find both in Maas's strong debut novel. . . . The verve and freshness of the narration make for a thrilling read." ?*Publishers Weekly, starred review*

"A teenage assassin, a rebel princess, menacing gargoyles, supernatural portals and a glass castle prove to be as thrilling as they sound. . . . Celaena is still just a teenager trying to forge her way, giving the story timelessness. This commingling of comedy, brutality and fantasy evokes a rich alternate universe with a spitfire young woman as its brightest star." ?*Kirkus Reviews*

"*Throne of Glass* by Sarah J. Maas is a tale full of surprises and shadows, where deadly seeds are sown with the promise of more danger to come. A fascinating glimpse into the dark side of Cinderella." ?*Colleen Houck, the NYT Bestselling author of the Tiger's Curse series*

Users Review

From reader reviews:

Roger Ruelas:

Do you certainly one of people who can't read pleasant if the sentence chained within the straightway, hold on guys this kind of aren't like that. This Throne of Glass book is readable simply by you who hate the straight word style. You will find the data here are arrange for enjoyable studying experience without leaving possibly decrease the knowledge that want to supply to you. The writer associated with Throne of Glass content conveys objective easily to understand by many individuals. The printed and e-book are not different in the information but it just different available as it. So , do you continue to thinking Throne of Glass is not loveable to be your top checklist reading book?

Pamela Steele:

This book untitled Throne of Glass to be one of several books which best seller in this year, that is because when you read this publication you can get a lot of benefit into it. You will easily to buy this book in the book shop or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Smart phone. So there is no reason to you to past this book from your list.

Shane Bodine:

Reading can called brain hangout, why? Because while you are reading a book particularly book entitled Throne of Glass your brain will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely will become your mind friends. Imaging just about every word written in a book then become one contact form conclusion and explanation which maybe you never get previous to. The Throne of Glass giving you an additional experience more than blown away your brain but also giving you useful info for your better life on this era. So now let us demonstrate the relaxing pattern at this point is your body and mind will probably be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Carolyn Berndt:

This Throne of Glass is great guide for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This particular book reveal it data accurately using great manage word or we can claim no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Throne of Glass in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen second right but this guide already do that. So , this really is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that?
