Brilliant Speed Reading: Whatever You Need to Read, However You Want to Read it - Twice as Quickly (Brilliant Lifeskills) By Phil Chambers

Every single day we receive a huge amount of information to read and we're expected to make sense of it all more than ever before. With access to countless facts, figures and opinions at the touch of a button, it's easy to get lost in the constant flow of data. Brilliant Speed Reading shows you how to breeze through books, newspapers, textbooks, reports - whatever you need to read, however you want to read it. You will learn a simple yet powerful set of techniques that will build your reading speed, step by step, to at least double your current rate. Everything you learn will be reinforced by exercises and tips to ensure you get the most out of your new reading skills. Brilliant Speed Reading is structured so you can easily measure, progress and consolidate your learning - you will be asked to time how long it takes to read each chapter and to record your speed on a chart at the beginning. Each chapter has a quiz at the end to help cement knowledge and measure comprehension. Brilliant Outcomes *

- * At least double your reading speed without loss of comprehension
- * Beat information overload at home and at work
- * Be able to read fast or slow - choose what works best for you

Editorial Review

Review

As a business improvement consultant, I know how important it is for business owners to have relevant information to make informed decisions. This book gives invaluable techniques to rapidly assimilate and filter information. I will be recommending it to my clients.

Gary Halpin - Director of GOOD2GREAT business consultants.

As a busy publisher the ability to speed read is vital. Phil Chambers' excellent book has helped me to really perfect this art. His easy to follow book is essential reading to cope with information overload.

Chris Day - MD, Filament Publishing Ltd

Phil's exposition of the latest techniques in Speed Reading will prove invaluable to everyone who has to read War and Peace in a day, or those overwhelmed and cast adrift in a sea of an encroaching information -in other words all students, executives and everyone caught up in a rapidly accelerating global communications environment.

Phil's work is a beacon, lighthouse and rescue for all those in danger of drowning in the 21st century data deluge which affects us all.
