Editorial Review

From the Publisher

This is the text that championed a revolutionary approach to education that changed the way we teach our children. Now, in the Third Edition, it's challenging the status quo with twenty years of evidence that defies current thinking. Five exciting new chapters focus on issues of importance now and in the future--learning from children who love school; researching person- centered issues in education; developing the administrator's role as a facilitator; building discipline and classroom management with the learner; and person-centered views of transforming schools. Freedom to Learn, Third Edition is written in the first person, with two goals in mind--to aid the development of the minds of children and young persons, and to encourage the kinds of adventurous enterprises being carried out daily by dedicated, caring teachers in creative classrooms and supportive schools throughout the nation.

Users Review

From reader reviews:

Larry Gutierrez:

The book Freedom to Learn (3rd Edition) gives you the sense of being enjoy for your spare time. You need to use to make your capable a lot more increase. Book can being your best friend when you getting strain or having big problem with your subject. If you can make studying a book Freedom to Learn (3rd Edition) to become your habit, you can get far more advantages, like add your capable, increase your knowledge about several or all subjects.
