Race, Law, and American Society: 1607-Present (Criminology and Justice Studies) By Gloria J. Browne-Marshall

In *Race, Law, and American Society: 1607 to Present* Gloria Browne-Marshall traces the history of racial discrimination in American law from colonial times to the present, analyzing the key court cases that established America's racial system and showing their impact on American society. Throughout, she places advocates for freedom and equality at the center, moving from their struggle for physical freedom in the slavery era to more recent battles for equal rights and economic equality. From the colonial period to the present, this book examines education, property ownership, voting rights, criminal justice, and the military as well as internationalism and civil liberties. *Race, Law, and American Society* is highly accessible and thorough in its depiction of the role race has played, with the sanction of the U.S. Supreme Court, in shaping virtually every major American social institution.

Editorial Review

Review

"I hope educators at every level are attracted to this book as a teaching tool."

?Derrick Bell, from the foreword

"Gloria Browne-Marshall's *Race, Law, and American Society* builds on the great vision of the late great Barbara Jordan: How will America become as great as its promise? Black courageous citizens have been at the forefront of this movement. This book is a gem."

?Cornel West, Class of 1943 University Professor of Religion, Princeton University

"Brilliantly researched, Gloria Browne-Marshall's history of *Race, Law, and American Society* is bold and challenging; dramatic, comprehensive, and galvanizing. Everyone concerned about justice and dignity, civility, the law and human survival will want to read, and assign this book."

?Blanche Wiesen Cook, University Distinguished Professor, John Jay College & The Graduate Center, CUNY and author of *Eleanor Roosevelt*

"In this sophisticated survey of Supreme Court decisions, Gloria Browne-Marshall shows African Americans working to make 'liberty and justice' more than rhetoric?by pressing judges to expand freedom's scope from that for white men to the majority. All Americans owe Black Americans much for making the United States ever more democratic and justice-oriented."

?Joe R. Feagin, Ella C. McFadden Professor of Liberal Arts, Texas A & M University

About the Author

Gloria J. Browne-Marshall, an Assistant Professor of Constitutional Law at John Jay College of Criminal Justice, litigated Civil Rights and Public Law cases for the NAACP Legal Defense and Educational Fund, Inc., Community Legal Services, and Southern Poverty Law Center, prior to academe.
