### Renegade By Diana Palmer

Newly appointed police chief Cash Grier makes it his personal mission to keep law and order in the streets of Jacobsville. As a true renegade, Cash has learned never to take anything at face value—especially not his gorgeous sworn enemy, "Georgia Firefly" Tippy Moore. But Tippy is no longer a spoiled Hollywood starlet, just an unassuming beauty who has almost as many skeletons in her closet as Cash.

The hard-edged Texan finds himself powerless to resist their explosive chemistry. Just as Cash is about to believe that Tippy might be the one for him, an unforgivable betrayal leads to despair, deceit—and unexpected danger. Now all roads lead to this one pivotal moment that will test the very fabric of a love that had once known no bounds....

## Editorial Review

From Publishers Weekly

Palmer's new romance catches up with small-town Jacobsville, Tex., police chief Cash Grier and fashion model-turned-film star Tippy Moore, who crossed paths in the author's previous novel, *Lawless*. Hardened, war-weary Cash, a former mercenary, swears he'll never trust another woman again after a crushing betrayal by his ex-wife ("They say bullets are dangerous. But the most dangerous thing on earth is love."); red-headed Tippy's sunny exterior hides a horrific past of abuse and neglect, making her equally wary of men. An idyllic meeting in New York, where Tippy lives, segues quickly into a rather improbable series of events, including a miscarriage, a kidnapping and a daring rescue. When Cash whisks Tippy off to Jacobsville for her own safety, the pressures on the couple ease, but Palmer concocts some convoluted sideplots featuring local politicians trying to work outside the law and a state senator arrested for inebriation. Too many pages are wasted reiterating ad infinitum the trust issues that plague Cash and Tippy, but Palmer knows how to make the sparks fly between her protagonists. The ties binding Tippy and Rory, the nine-year-old half-brother she cares for, and the solid relationship Cash builds with both of them are heartwarming and endearing. A young victim of repeated rapes by her apathetic mother's boyfriend, actress-model Tippy cringes whenever a man comes near her. Having literally bought her younger brother, Rory, from her drug-addict mother five years earlier, Tippy now centers her life around her nine-year-old sibling and her work. Cash Grier, sheriff of Jacobsville, Texas, formerly of special ops, also has a deep-seated distrust of the opposite sex. His father exiled Cash to military school when his duplicitous stepmother lied about him. Now these two damaged souls have found each other, but their respective childhood traumas keep their trust, and their ability to love, at bay. In a book loaded with emotions, the popular Palmer has penned a compelling tale of two separate but parallel journeys toward trust, healing, forgiveness, and, ultimately, self-acceptance. Readers who enjoy stories by authors who know how to pack an emotional wallop, such as Kathryn Shay, Dee Holmes, and Francis Ray, will add Palmer to their list of favorites. *Shelley Mosley*
