**Sneak (Swipe Book 2)** By Evan Angler

“Apocalyptic dystopian fiction at its best. Angler’s sharp wit and dexterity with political themes are matched only by the thrilling suspense on every page.” —Lis Wiehl, *New York Times* bestselling author and FOX News correspondent

**In a future United States under the power of a charismatic leader, everyone gets the Mark at age thirteen. The Mark lets citizen shop, go to school, and even get medical care—but without it, you are on your own. Few refuse to get the Mark. Those who do . . . disappear.**

Logan Langly went in to get his Mark, but he backed out at the last minute. Now he’s on the run from government agents who will stop at nothing to capture him. But Logan is on a mission to find and save his sister, Lily, who disappeared five years ago on her thirteenth birthday, the day she was supposed to receive her Mark.

Logan and his friends, a group of dissenters called the Dust, discover a vast network of the Unmarked, who help them travel safely to the capital city where Lily is imprisoned. Along the way, the Dust receives some startling information from the Markless community, opening their eyes to the message of Christianity and warning that humanity is now entering the End of Days.

When the Dust finally arrives in the capital, it seems that all their careful planning is useless against a government that will do anything to bend its citizens to its will. Can the gentle words Logan has found in a tattered, banned Bible really stand against the most powerful military the world has ever known? Can Logan even sacrifice his own freedom, choosing to act through faith alone?

### Editorial Review

From School Library Journal

Gr 7 Up-Logan Langly is keeping the dystopian saga started in *Swipe* (Thomas Nelson, 2012) moving forward. Before receiving the Mark that would allow him the status to buy food, go to the doctor, and enjoy all the rights of being an American Union citizen, he backed out and went on the run. Struggling to survive as he makes his way along an underground network, he is determined to find his sister, Lily, who also disappeared before receiving her Mark. The teen teams up with a group of "Markless" misfits as they travel toward the capital city through obstacle after obstacle, trying to rescue Lily, discover the truth about the Mark, and learn more about a banned book called the Bible. *Sneak* is a page-turner. Angler keeps the story moving at a quick pace, emphasizing the teens' trials and tribulations, but it is difficult to follow without having read the first in the series. The large cast of characters seems excessive and their lack of defined personalities makes them tricky to remember. The story's Christian elements are potentially too marginalized for readers seeking Christian fiction and a little out of place for those looking for dystopian fiction.-Emily Chornomaz, Camden County Library System, NJ(c) Copyright 2011. ### Review

"Apocalyptic dystopian fiction at its best. Angler's sharp wit and dexterity with political themes are matched only by the thrilling suspense on every page."

— Lis Wiehl, *New York Times* best-selling author and Fox News correspondent

### About the Author

Evan Angler is safe, for now. He lives without the Mark, evading DOME and writing in the shadows of Beacon. But if anyone asks, you know nothing about him. Don't make eye contact if you see him. Don't call his name out loud. He's in enough trouble already. And so are you, if you read his books.

### Users Review

#### From reader reviews:

##### Brian Street:

Have you spare time to get a day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a move, shopping, or went to typically the Mall. How about open or maybe read a book entitled *Sneak* (Swipe Book 2)? Maybe it is being best activity for you. You realize beside you can spend your time with your favorite's book, you can better than before. Do you agree with their opinion or you have additional opinion?

##### Raymond Simmons:

The book with title *Sneak* (Swipe Book 2) includes a lot of information that you can understand it. You can get a lot of advantage after read this book. This particular book exist new knowledge the information that exist in this e-book represented the condition of the world right now. That is important to yo7u to find out

how the improvement of the world. This kind of book will bring you in new era of the globalization. You can read the e-book on your own smart phone, so you can read that anywhere you want.

**Juan Turgeon:**

Playing with family within a park, coming to see the ocean world or hanging out with good friends is thing that usually you have done when you have spare time, subsequently why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Sneak (Swipe Book 2), you could enjoy both. It is good combination right, you still need to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its named reading friends.

**Francis Pilkington:**

That publication can make you to feel relax. That book Sneak (Swipe Book 2) was vibrant and of course has pictures on the website. As we know that book Sneak (Swipe Book 2) has many kinds or style. Start from kids until young adults. For example Naruto or Private eye Conan you can read and feel that you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that.
