Study Guide for 1Z0-060: Upgrade to Oracle Database 12c: Oracle Certification Prep By Matthew Morris

This Study Guide is targeted at IT professionals who are working towards upgrading their existing certification to become an Oracle Database 12c Administrator Certified Professional. The book provides information covering all of the exam topics for the Oracle certification exam: "1Z0-060: Upgrade to Oracle Database 12c".

The books in the Oracle Certification Prep series are built in lockstep with the test topics provided by Oracle Education's certification program. Each book is intended to provide the information that will be tested in a clean and concise format. The guides introduce the subject you'll be tested on, follow that with the information you'll need to know for it, and then move on to the next topic. They contain no drills or unrealistic self-tests to bump the page count without adding value.

The series is intended to provide a concentrated source of exam information that is compact enough to be read through multiple times. This series is ideal for experienced Oracle professionals that are familiar with the topics being tested, but want a means to rapidly reinforce their existing skills and bridge any gaps in their knowledge. It is also an excellent option as a second source of information for candidates pursuing certification.

Editorial Review

About the Author
Matthew Morris has worked with the Oracle database since 1996 when he worked in the RDBMS support team for Oracle Support Services. Employed by Oracle for over eleven years in support and development positions, Matthew was an early adopter of the Oracle Certified Professional program. He was one of the first one hundred Oracle Certified Database Administrators (version 7.3) and was also in the first hundred to become an Oracle Certified Forms Developer. In the years since, he has upgraded his Database Administrator certification for releases 8i, 9i, 10g, 11g, and 12c; become an advanced PL/SQL Developer Certified Professional; added the Expert certifications for Application Express, Oracle SQL, and Oracle SQL Tuning, as well as the Specialist certification for Oracle Linux 6. Matthew is an experienced Database Administrator and PL/SQL developer and has been creating Web applications with Oracle Application Express since the early days of its release. He is currently employed as a Database Engineer with Computer Sciences Corporation developing enterprise applications.
