The Garden of Last Days: A Novel By Andre Dubus III

From the author of the *New York Times* bestseller and Oprah's Book Club selection *House of Sand and Fog*--a new big-hearted, painful, page-turning novel.

One early September night in Florida, a stripper brings her daughter to work. April's usual babysitter is in the hospital, so she decides it's best to have her three-year-old daughter close by, watching children's videos in the office, while she works.

Except that April works at the Puma Club for Men. And tonight she has an unusual client, a foreigner both remote and too personal, and free with his money. Lots of it, all cash. His name is Bassam. Meanwhile, another man, AJ, has been thrown out of the club for holding hands with his favorite stripper, and he's drunk and angry and lonely.

From these explosive elements comes a relentless, raw, searing, passionate, page-turning narrative, a big-hearted and painful novel about sex and parenthood and honor and masculinity. Set in the seamy underside of American life at the moment before the world changed, it juxtaposes lust for domination with hunger for connection, sexual violence with family love. It seizes the reader by the throat with the same psychological tension, depth, and realism that characterized Andre Dubus's #1 bestseller, *House of Sand and Fog*--and an even greater sense of the dark and anguished places in the human heart.

Editorial Review

From Publishers Weekly

Dubus's ambitious if uneven follow-up to *House of Sand and Fog* begins shortly before 9/11 with stripper April taking her three-year-old daughter, Franny, to work after the babysitter flakes at the last minute. Though she leaves Franny with the club's house mother and intends to keep tabs on her, April's distracted on the floor by Bassam, a Muslim who's in Florida to take flying lessons and (like one of the real 9/11 hijackers) spends early September 2001 throwing around money and living lasciviously. Meanwhile, AJ, a down-on-his-luck local, lingers in the parking lot after getting thrown out for touching a dancer. The slow-starting plot splinters once Franny wanders outside and disappears. Soon, AJ's wanted for kidnapping, April's run through the social service wringers as an unfit parent, and the murky particulars of Bassam's mission come into sharp focus as he struggles with his religious convictions. Dubus gives the breath of life to most of his characters (Bassam—not so much), though the narrative has a mechanical feeling, partially owing to the narrow emotional register Dubus works in: doom and desperation are in plentiful supply from page one, and as the novel fades to black, the reader's left with a roster of sadder-but-wiser Americans to contemplate. From [The New Yorker](#)

Dubus's follow-up to "House of Sand and Fog" is inspired by the rumored visit of 9/11 hijackers to a strip club shortly before their attacks. In the fictional Puma Club, in Sarasota, Florida, a twenty-six-year-old named Bassam al-Jizani watches Spring, a stripper, undress, and finds his "hatred for these kufar rising with the knowledge of his own weakness." We know he is entranced, because he does not imagine slitting her throat, as he does with most people he encounters. Bassam recoils from the hedonistic pursuits of the West, yet finds himself drawn to them; losing his virginity to a prostitute, he wonders, "How many years will she be given by the Creator before she will burn?" Imagining the mind of a terrorist, Dubus runs into a familiar problem: Bassam's thoughts are a case study in the banality of evil. "Hatred gives him strength," he writes. But it doesn't make him interesting.

From [Bookmarks Magazine](#)

Despite critics' high hopes, *The Garden of Last Days* proves to be a big, uneven novel with aspirations it can't quite fulfill. (*Los Angeles Times*). Andre Dubus III nimbly navigates the chasm between cultures "between the world of the intolerant extremist and that of the decadent Westerner" and draws his characters with compassion. Unfortunately, though Dubus's research is evident, Bassam emerges as little more than a stereotype, his stilted English, peppered with Arabic phrases, awkward and forced. Dubus slows the plot's pace to allow his characters to fully develop, but this choice drains the narrative of tension and robs the climax of its punch. Dubus's considerable talent notwithstanding, the daring *Garden* does not rise to the level of its best-selling predecessor.

Users Review

From reader reviews:

Alvin Shaw:

Spent a free time for you to be fun activity to complete! A lot of people spent their down time with their

family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your current free time/ holiday? Could possibly be reading a book could be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the publication untitled The Garden of Last Days: A Novel can be great book to read. May be it can be best activity to you.

Belinda Timmer:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Garden of Last Days: A Novel, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Judith Lucas:

Do you like reading a publication? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But any people feel that they enjoy intended for reading. Some people likes reading through, not only science book but in addition novel and The Garden of Last Days: A Novel or others sources were given know-how for you. After you know how the truly amazing a book, you feel would like to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In different case, beside science guide, any other book likes The Garden of Last Days: A Novel to make your spare time more colorful. Many types of book like here.

Jenni Roberts:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from your book. Book is composed or printed or outlined from each source this filled update of news. With this modern era like at this point, many ways to get information are available for anyone. From media social just like newspaper, magazines, science guide, encyclopedia, reference book, new and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just in search of the The Garden of Last Days: A Novel when you desired it?
