**This Mitchell and Webb Book** By David Mitchell, Robert Webb

Dive into the bizarre yet strangely familiar world of Mitchell and Webb – the wittiest men on television, or anywhere else.

From the two finest comedians of their generation comes the ultimate Christmas comedy book – lavishly illustrated in colour, containing all sorts of outrageous stuff that will have you laughing into the spring and beyond.

David Mitchell and Robert Webb have been hard at work cramming all the comic genius that marked their award-winning TV and radio shows into one very beautiful and very funny hardback book.

Ted the snooker commentator's Hello Magazine photo shoot will be unveiled for the very first time, and expect guest appearances from Dr Jonathan Miller and CSI's David Caruso.

David and Rob have also unearthed Hitler's lost text messages and some notes Peter Mandelson left on his fridge. They will offer tips on surviving the credit crunch for all those that need them.

Expect a board game put together by Sir Digby Chicken-Caesar, a guide to the cheeses of Saudi Arabia, and news of the ever-expanding range of Mitchell and Webb products.

This Mitchell and Webb book will be supported by a frankly enormous marketing budget and stunning publicity everywhere. This will be the best comedy book for a long time, not least because David and Robert have put every page together themselves.

## **Editorial Review**

Review

Praise for David Mitchell and Robert Webb:

‘The new kings of comedy’ Radio Times

‘By far the funniest sketch show in ages ... fresh and full of invention’ – The Daily Telegraph

‘Mitchell (the fat one who looks stuck-up and posh) and Webb (the thin one who looks selfish and stroppy) are talented writers and their current television series is genuinely worth staying in for. It’s a reminder (for those who despair at the lame hamfistedness of Little Britain) that British comedians can be both funny and clever’ Sunday Telegraph

About the Author

David Mitchell is a comedian, actor and writer. He stars in Peep Show, writes for the Observer, co-hosts 10 O’Clock Live, has appeared in every TV or radio panel show except Never Mind the Buzzcocks, Quote Unquote and A League Of Their Own and has been in two films neither of which made a profit. He is married, childless and the polysyllabic member of the double-act ‘Mitchell and Webb’. Soon he will do more.

Robert Webb is one of Britain's most popular comedians. He is one half of the double act Mitchell and Webb, alongside David Mitchell. The duo are best known for starring in the Channel 4 sitcom Peep Show and their award-winning sketch show That Mitchell and Webb Look. They first met at the Footlights in 1993 and collaborated for the 1995 Revue whilst studying at Cambridge University.
