## Too Much Temptation By Lori Foster

"Too Much Temptation," the first full-length contemporary novel to grace the Brava list, showcases the talents that have won Lori Foster a devoted following: her high style, her humor, her insight into her characters and their relationships, and, above all, her unforgettably steamy love scenes. In "Too Much Temptation," Foster introduces a man and a woman who first come together in friendship and uncomplicated passion...and end up finding something much more satisfying in each other's arms.

Grace Jenkins had had little experience with men -- feeling too awkward and insecure to free the sensual woman inside her. But that didn't stop her from dreaming about Noah Harper. Gorgeous, strong and darkly sexy, his rough edge beneath the polish promised no mercy in the bedroom. When Grace learns Noah's engagement has ended in scandal, she shyly offers him her support and friendship.

But Noah wants more from Grace. He wants to possess those curves that go on forever, to savor her sweet innocence, to take her to the limits of white-hot desire...again and again. What he doesn't want it anything more complicated than that, and he knows Grace is a woman who deserves better. Grace, however, knows exactly what she wants -- the kind of ecstasy only Noah can give her. Brazenly, she accepts, and Noah promises to make all her secret fantasies come true.
