Tsar: A Thriller (Alexander Hawke Book 5) By Ted Bell

Swashbuckling spy Alex Hawke returns in *New York Times* bestselling author Ted Bell's most explosive tale of international suspense to date.

There dwells, somewhere in Russia, a man so powerful no one even knows his name. His existence is only speculated upon, only whispered about in American corridors of power and CIA strategy meetings. Though he is all but invisible, he is pulling strings—and pulling them hard. For suddenly, Russia is a far, far more ominous threat than even the most hardened cold warriors ever thought possible.

The Russians have their finger on the switch to the European economy and an eye on the American jugular. And, most importantly, they want to be made whole again. Should America interfere with Russia's plans to "reintegrate" her rogue states, well then, America will pay in blood.

In Ted Bell's latest pulse-pounding and action-packed tour de force, Alex Hawke must face a global nightmare of epic proportions. As this political crisis plays out, Russia gains a new leader. Not just a president, but a new tsar, a signal to the world that the old, imperial Russia is back and plans to have her day. And in America, a mysterious killer, known only as Happy the Baker, brutally murders an innocent family and literally flattens the small Midwestern town they once called home. Just a taste, according to the new tsar, of what will happen if America does not back down. Onto this stage must step Alex Hawke, espionage agent extraordinaire and the only man, both Americans and the Brits agree, who can stop the absolute madness borne and bred inside the modern police state of Vladimir Putin's 'New Russia'.

Editorial Review

From Publishers Weekly

In bestseller Bell's rousing fifth thriller (after *Spy*), Alex Hawke fights the leaders of a new and invigorated Russia, where Vladimir Putin has been locked up in a lethal prison built over a massive radioactive waste site. Evil mastermind Count Ivan Korsakov (aka the Dark Rider) is determined to return Mother Russia to her rightful place in the world order by reacquiring her former colonies, after which he intends to conquer Europe and reign as the new tsar. The only thing standing in his way is Hawke, who, as series fans well know, is more than up to the task of thwarting those who try to take over the globe. Life throws Hawke a curve when he finds himself falling in love with the astoundingly beautiful Anastasia, who just happens to be Korsakov's daughter. As always, Bell pulls out all the stops with terrific action scenes, fiendish murders, diabolical villains, dramatic rescues and all the cool weaponry the reader could possibly hope for. From [Booklist](#)

The hero of Ted Bell's spy series, Alex Hawke, battles treachery and love in his fifth adventure. Recuperating in Bermuda from the major injuries he received in *Spy* (2006), Alex is lounging on a beach when a ravishing beauty appears. His heart flutters, and he is smitten. She is the daughter of the ruthless power broker in the new Russia—a man who wants to destroy the U.S. and become the next tsar. In the meantime, a sadistic killer in the heartland of America unleashes his wrath, and a small town pays the price. Now Hawke must put aside his feelings for his new love and (once again) save the world. One subplot too many and the overplayed cliché of every woman in the novel being drop-dead gorgeous get in the way here, but even so, the main narrative flies by, displaying again Bell's ability to turn out action-heavy espionage. -- Jeff Ayers

Review

"As always, Bell pulls out all the stops with terrific action scenes, fiendish murders, diabolical villains, dramatic rescues and all the cool weaponry the reader could possibly hope for." -*Publisher's Weekly*

"I couldn't put it down." - Rush Limbaugh
