Baillere's Comprehensive Veterinary Dictionary By Baillieres

A comprehensive veterinary dictionary encompassing all aspects of veterinary science. The book has over 52,000 entries with clear definitions and extensive cross-referencing covering small, large and exotic animal information. The extensive coverage ensures that the reader has an essential companion for constant use to check spellings, find meanings to unfamiliar terms and as an aid to study. The extensive appendices are a unique source of laboratory services, anatomy, clinical data and measurement conversions. The authors are international authorities in large animal medicine and small animal practice, respectively. With help from other experts in specialist fields, the coverage and detail make this dictionary a companion text for all those with an interest in the field.

Editorial Review

Users Review

From reader reviews:

Cody Smith:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with training books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The particular Baillere's Comprehensive Veterinary Dictionary is kind of reserve which is giving the reader unforeseen experience.

Ned Aguayo:

Many people spending their time frame by playing outside using friends, fun activity using family or just watching TV all day every day. You can have new activity to pay your whole day by examining a book. Ugh, think reading a book can actually hard because you have to bring the book everywhere? It ok you can have the e-book, having everywhere you want in your Smartphone. Like Baillere's Comprehensive Veterinary Dictionary which is having the e-book version. So , try out this book? Let's notice.

Helen McCleary:

Don't be worry for anyone who is afraid that this book may filled the space in your house, you will get it in e-book method, more simple and reachable. This particular Baillere's Comprehensive Veterinary Dictionary can give you a lot of close friends because by you checking out this one book you have thing that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This book offer you information that probably your friend doesn't recognize, by knowing more than some other make you to be great men and women. So , why hesitate? We need to have Baillere's Comprehensive Veterinary Dictionary.

Heidi Garcia:

That e-book can make you to feel relax. This book Baillere's Comprehensive Veterinary Dictionary was bright colored and of course has pictures on there. As we know that book Baillere's Comprehensive Veterinary Dictionary has many kinds or category. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore , not at all of book are usually make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that.
