### Crouching Tiger, Hidden Dragon: Sword of Destiny By Justin Hill, Wang Dulu

Another life-altering quest, another struggle between honor and lust for power, another generation of warriors forging alliances and enmities. The adventure, romance, and artistry of *Crouching Tiger, Hidden Dragon* continues in this novelized companion to the first ever Netflix debut film, *Crouching Tiger, Hidden Dragon: Sword of Destiny* based on the novel by Wang Dulu.

Seventeen years after the legendary fighter Mubai dies protecting the world-conquering sword The Green Destiny, four great warriors are called together to guard the formidable weapon once more. The forces surrounding the sword irrevocably altered the life of Shulien, Mubai's lover, but seventeen years later she is still honor-bound to defend the blade from the power-hungry warlord Hades Dai. The young fighters Wei-fang and Snow Vase, switched at birth, also have heritages and inheritances that inextricably link them to both each other and the fate of the sword. And Silent Wolf, Shulien's former fiancé, returns from presumed death to thwart Hades Dai—and rekindle an emotionally isolated Shulien's feelings.

Jam-packed with all the hallmarks of an epic adventure—sacrifice, battles, betrayal, vengeance, redemption, and destiny—this saga also explores the deeper meaning of true heroism and virtue. As Wei-fang and Snow Vase search for identity and forge their places in the world of warriors and heroes, Shu-lien and Silent Wolf struggle to reconcile both the traditions and heartbreak of the past with a fragile hope for the future.
