'Perfect for anyone seeking inspiration and technique ideas, and full of practical tips' 9/10

3D World magazine - (volume 2) Sept 07

'It's a showcase, it's a 'behind the scenes', it's two great tastes in one! Kudos to 3DTotal for jumping in with style.'

Dan Wheaton - concept artist / matte painter. www.carbonmatter.com

'This book not only exhibits the artists at the cutting edge of the digital art industry but also delivers valuable tips and advice that will usher in the next generation of Digital Art Masters. It is books like these that continually challenge and inspire me in my own artistic journey.'

Tim Warnock - matte painter / concept artist

www.thenextside.com

'For those who are not satisfied with only a 'final picture' book and also want to know the techniques behind the images. A nice start for a new book series'

Rafal Wojtunik - 'Fallen Art' BAFTA winning movie & Platige Image concept artist. www.platige.com

'With truly the best collection of digital artists, this book stands out from the masses with its elegant lay-out and explanatory content fit for any artists of any genre or level. This beautiful art book jump-started my inspiration and muse, and I found myself doodling along after reading through it.'

-Henning Ludvigsen www.henningludvigsen.com

'3D Total's second instalment of "Digital Art Masters" gives you once again the opportunity to take a look over today's most popular digital artists' shoulders. You are not only getting a beautifully treated and presented art book but also interesting insights on how the artists create their stunning visions. You wouldn't want to miss that opportunity!'

- Natascha Roeoesli www.tascha.ch

'Definitely one of my favourite art books of the year. It contains an incredible source of inspiration from amazing digital artists all around the world. The high quality of this book is outstanding to say the least; it will become a part of my personal collection for sure.'

- Frederic St-Arnaud www.starno.net

'When inspiration meets technique... Inside these pages, the best digital artists reveal and share their techniques through detailed step by step tutorials of their most beautiful pieces. DAM Vol. 2 offers a unique chance to discover all the "secrets" from the pros in both 2D and 3D, but also stunning digital masterpieces from worldwide renowned artists.'

-MÃ©lanie Delon www.eskarina-circus.com

'Page after page of this book made me as an artist feel inspired and challenged by the work of my fellow

imageers. If for no other reason than to add this book to your library of Artbooks you won't go wrong ... Highly Recommended. Buy it, it's well worth the price.'
