The Golden Goblet (Newbery Library, Puffin) By Eloise Jarvis McGraw

A Newbery Honor Book

Winner of a Newbery Honor, an exciting ancient Egyptian mystery!

Ranofer wants only one thing in the world: to be a master goldsmith like his beloved father was. But how can he when he is all but imprisoned by his evil half brother, Gebu? Ranofer knows the only way he can escape Gebu's abuse is by changing his destiny. But can a poor boy with no skills survive on the cutthroat streets of ancient Thebes? Then Ranofer finds a priceless golden goblet in Gebu's room and he knows his luck—and his destiny—are about to change.

"Exceptionally vivid, swiftpaced, and stirring."—*The Horn Book*

"An exhilarating story of the arduous fulfillment of a boy's dream . . . We are given a most worthy hero in Ranofer, one who struggles with his own fears and ideals, who smarts under his own cowardice, but who finds the power to rise to his own strength. This plus the vividly detailed setting make the book an excellent choice."—*Kirkus Reviews*

Users Review

From reader reviews:

Helen Sullivan:

Book is actually written, printed, or highlighted for everything. You can understand everything you want by a e-book. Book has a different type. To be sure that book is important thing to bring us around the world. Alongside that you can your reading proficiency was fluently. A book *The Golden Goblet* (Newbery Library, Puffin) will make you to end up being smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think in which open or reading any book make you bored. It is not make you fun. Why they could be thought like that? Have you in search of best book or suited book with you?

Sandra Lowe:

People live in this new day time of lifestyle always try to and must have the time or they will get great deal of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely of course. People is human not a robot. Then we request again, what kind of activity do you have when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading guides. It can be your alternative within spending your spare time, the book you have read is actually *The Golden Goblet* (Newbery Library, Puffin).

Johnny Cahill:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to pick book like

comic, quick story and the biggest you are novel. Now, why not trying The Golden Goblet (Newbery Library, Puffin) that give your pleasure preference will be satisfied by simply reading this book. Reading habit all over the world can be said as the way for people to know world far better then how they react towards the world. It can't be mentioned constantly that reading habit only for the geeky individual but for all of you who wants to be success person. So , for all of you who want to start looking at as your good habit, you could pick The Golden Goblet (Newbery Library, Puffin) become your starter.

Lee Fuller:

Your reading 6th sense will not betray you actually, why because this The Golden Goblet (Newbery Library, Puffin) e-book written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your hunger then you still skepticism The Golden Goblet (Newbery Library, Puffin) as good book not simply by the cover but also with the content. This is one reserve that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this particular!?! Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.
