### The Oxford Handbook of International Human Rights Law (Oxford Handbooks) From Oxford University Press

*The Oxford Handbook of International Human Rights Law* provides a comprehensive and original overview of one of the fundamental topics within international law. It contains substantial new essays by more than forty leading experts in the field, giving students, scholars, and practitioners a complete overview of the issues that inform research, as well as a 'map' of the debates that animate the field. Each chapter features a critical and up-to-date analysis of the current state of debate and discussion, assessing recent work and advancing the understanding of all aspects of this developing area of international law.

The *Handbook* consists of 39 chapters, divided into seven parts. Parts I and II explore the foundational theories and the historical antecedents of human rights law from a diverse set of disciplines, including the philosophical, religious, biological, and psychological origins of moral development and altruism, and sociological findings about cooperation and conflict. Part III focuses on the law-making process and categories of rights. Parts IV and V examine the normative and institutional evolution of human rights, and discuss this impact on various doctrines of general international law. The final two parts are more speculative, examining whether there is an advantage to considering major social problems from a human rights perspective and, if so, how that might be done: Part VI analyses current problems that are being addressed by governments, both domestically and through international organizations, and issues that have been placed on the human rights agenda of the United Nations, such as state responsibility for human rights violations and economic sanctions to enforce human rights; Part VII then evaluates the impact of international human rights law over the past six decades from a variety of perspectives.

The *Handbook* is an invaluable resource for scholars, students, and practitioners of international human rights law. It provides the reader with new perspectives on international human rights law that are both multidisciplinary and geographically and culturally diverse.

### Editorial Review

#### Review

The disposition of the authors and the choice of the contributors, many of them likewise experienced as academics and practitioners, are convincing. All chapters are well composed and focused, illustrating the relevant problems, discussing possible solutions and obstacles, and concluding with concise summarizing observations, and some, not too many, suggestions for Further Reading... Indeed Reading each chapter was a joy that I hope will be shared by many readers. Eckart Klein, German Yearbook of International Law

#### About the Author

Dinah Shelton, *Emeritus Manatt/Ahn Professor in International Law, George Washington University Law School*

Professor Dinah Shelton was the inaugural holder of the Manatt/Ahn Professorship in International Law at the George Washington University Law School, where she has taught since 2004. She previously taught international law and was director of the doctoral program in international human rights law at the University of Notre Dame Law School (1996-2004). She has also lectured at universities throughout the world. Professor Shelton is the author of three prize-winning books, *Protecting Human Rights in the Americas* (co-authored with Thomas Buergenthal), *Remedies in International Human Rights Law*, and the three-volume *Encyclopedia of Genocide and Crimes against Humanity*. She has also authored many other articles and books on international law, human rights law, and international environmental law. Professor Shelton is a member of the board of editors of the *American Journal of International Law*.

### Users Review

#### From reader reviews:

##### Loraine Brown:

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this *The Oxford Handbook of International Human Rights Law (Oxford Handbooks)*.

##### Gregory Kim:

Does one one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Try and pick one book that you find out the inside because don't evaluate book by its protect may doesn't work here is difficult job because you are frightened that the inside maybe not while fantastic as in the outside search likes. Maybe you answer may be *The Oxford Handbook of International Human Rights Law (Oxford*

Handbooks) why because the excellent cover that make you consider concerning the content will not disappoint anyone. The inside or content will be fantastic as the outside or cover. Your reading 6th sense will directly show you to pick up this book.

**Renee Chagnon:**

Reading a book to become new life style in this yr; every people loves to study a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. In order to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and soon. The The Oxford Handbook of International Human Rights Law (Oxford Handbooks) will give you a new experience in reading a book.

**Robert Quinonez:**

Do you like reading a book? Confuse to looking for your best book? Or your book had been rare? Why so many concern for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and The Oxford Handbook of International Human Rights Law (Oxford Handbooks) or others sources were given understanding for you. After you know how the fantastic a book, you feel want to read more and more. Science reserve was created for teacher as well as students especially. Those books are helping them to increase their knowledge. In some other case, beside science publication, any other book likes The Oxford Handbook of International Human Rights Law (Oxford Handbooks) to make your spare time considerably more colorful. Many types of book like this one.
