Visions in Death (In Death, Book 19) By J. D. Robb

Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 *New York Times* bestselling *In Death* series.

On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed.

As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare...

From the Paperback edition.

Editorial Review

From Publishers Weekly

Though not as gripping as the previous installments in Robb's mid-21st-century In Death series (*Remember When*, etc.), this new offering showcases her many talents. New York policewoman Eve Dallas is on the trail of a serial killer who strangles his young female victims with a red ribbon and removes their eyes postmortem. Dallas and her longtime partner, Detective Peabody, pursue the criminal with wisecracking vigor and old-fashioned police work, assisted as well by Eve's handsome husband, billionaire businessman Roarke, and a beautiful psychic who volunteers to share her chilling visions of the murders. Naturally, the determined Dallas gets her man, though her toughness is shaken along the way by memories of her own childhood abuse, the murderer's vicious attack on Peabody and a surprising 11th-hour revelation. The Thomas HARRISesque mystery resolves rather simply, and the story gets less of an energy boost than usual from the romantic power play between Eve and Roarke and the edgy sci-fi detail that made the earlier books so distinctive. (In fact, the Manhattan of 2059 is oddly old-fashioned, with *more* homey crafts stores than the New York of 2004.) Nevertheless, the book is a sassy, smart-alecky read, possessing the warm characterizations and witty dialogue that have earned Robb/Roberts her huge and loyal readership. Users Review

From reader reviews:

William Threatt:

Book is usually written, printed, or descriptive for everything. You can recognize everything you want by a publication. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A e-book Visions in Death (In Death, Book 19) will make you to possibly be smarter. You can feel far more confidence if you can know about everything. But some of you think this open or reading any book make you bored. It's not make you fun. Why they could be thought like that? Have you looking for best book or suitable book with you?

David Munsch:

The book Visions in Death (In Death, Book 19) can give more knowledge and also the precise product information about everything you want. Why must we leave the good thing like a book Visions in Death (In Death, Book 19)? A few of you have a different opinion about reserve. But one aim which book can give many info for us. It is absolutely right. Right now, try to closer with your book. Knowledge or details that you take for that, you are able to give for each other; you could share all of these. Book Visions in Death (In Death, Book 19) has simple shape nevertheless, you know: it has great and big function for you. You can appearance the enormous world by start and read a guide. So it is very wonderful.

Judi Orta:

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is inside the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Visions in Death (In Death, Book 19) as your daily resource information.

Sharon Edwards:

This Visions in Death (In Death, Book 19) is great reserve for you because the content and that is full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with lovely delivering sentences. Having Visions in Death (In Death, Book 19) in your hand like having the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world in ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt which?
