Come the Spring (Claybornes' Brides (Rose Hill) Book 5) By Julie Garwood

Julie Garwood triumphed with her phenomenal *For the Roses* and her #1 *New York Times* bestselling trio of novels, *One Pink Rose*, *One White Rose* and *One Red Rose*. Now, she brings her irresistible and heartwarming wit to a delightful new love story featuring the unforgettable frontier family, the Claybornes of Blue Belle, Montana.

Cole Clayborne had always walked a dark path and flirted with a life of crime. While his three brothers chose to settle into married life, Cole rebelliously refused to be tied down. Now, an elusive stranger draws him into a shadowy chase that will bring unexpected turns to his uncertain future -- and may determine which side of the law the restless Cole favors.

A tragic, heartbreaking loss drives U.S. Marshal Daniel Ryan on a quest for vengeance -- and leads him to a beautiful young woman, the sole witness to a terrible crime. But the lawman finds that love is the greatest trial of all as he unwittingly draws her into the line of fire. The power and drama of their blossoming passion, entwined with the surprising destiny of the wayward Cole, make *Come the Spring* a superbly entertaining adventure inside the heart of "a family whose love and loyalty will truly inspire" (*Romantic Times*).

Amazon.com Review

Cole Clayborne has been tricked into accepting a badge and the title of U.S. Marshal by Sheriff Marshall Ryan. He would refuse the badge if he could, but the Blackwater Gang is up to no good and Cole feels compelled to help. Sheriff Ryan has been chasing the gang for two years--ever since they murdered his wife and daughter during a bank robbery--and he needs Cole to help him solve the case. When the Rockford Falls bank is robbed, only one witness is left alive. Terrified by the ordeal, the lone survivor won't come forward to testify; Cole and Daniels's only clue to her identity is a list that includes the names of three women who conducted business at the bank that afternoon. Is the eyewitness the beautiful, aristocratic Rebecca James or the exquisitely lovely Grace Winthrop? Could it be the seductive Jessica Summers? Somehow, Cole and Daniel have to keep the three women safe while solving the bank robberies and tracking down the killers. But the biggest danger of all may be the threat of losing their hearts to one of the beautiful women.

From Library Journal

Wondering what happened to the Claybornes, who hit the best sellers list in three separate titles this summer after making a splash with a television movie broadcast last April? Wonder no more. Garwood wraps up their story in this handy conclusion.
