### O.J. Is Innocent and I Can Prove It: The Shocking Truth about the Murders of Nicole Brown Simpson and Ron Goldman By William C. Dear

Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The days and weeks that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long since convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson got away with murder.

According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O. J. was not the killer. In *O. J. Is Innocent and I Can Prove It*, Dear makes the controversial, but compelling, case that it may have been the "overlooked suspect," O. J.'s eldest son, Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

### Editorial Review

#### Review

“A new book has a very new twist on the O.J. Simpson and the 1994 murders of his ex-wife Nicole Brown Simpson and her friend, Rob Goldman.” (USA Today)

“OJ Simpson was the prime suspect for the murders because he helped cover up his son's crimes and, in effect, allowed himself to take the fall, the book claims.” (Daily Mail)

“

Bill has turned up some new, very interesting and troubling information about this case. . . . It is information that deserves to be put before the public; it deserves careful consideration.

” (Dan Rather)

“But the celebrity detective ups the ante on controversial theories in his new book: *O. J. Is Innocent and I Can Prove It*.” (Hollywood.com)

“While the book's bombshell claims have not been proved -- authorities in California have yet to comment on them -- Dear insisted he can back up every allegation.” (Huffington Post - Huffington Post)

“We spent about 40 minutes speaking with Dear yesterday, and while he didn't convince us that O.J.'s innocent, his arguments aren't too far beyond the realm of possibility.” (The Village Voice)

“*O.J. is Innocent and I can Prove It* provides a wealth of additional details and background information that help to establish potential motive, means and opportunity – all of which is supported by medical reports, personal interviews, deposition transcripts and physical evidence. *O.J. is Innocent and I Can Prove It*, then, is an important book for several reasons. First, it dares to raise questions that will not sit well with those whose only interest is in upholding the status quo, regardless of whether or not justice was served. (What if O.J. Simpson was at the crime scene – but only after the murders occurred?) Second, it publicly calls out the authoritative bodies that have seen the evidence but continue to ignore it. And third, and perhaps most importantly, it challenges readers to open their minds and entertain the notion of, what if? If we dismiss this book without giving it the consideration it warrants, then we are every bit as guilty of the kind of rush to judgment that its author rails against.” (John Valeri, Hartford Books Examiner)

#### About the Author

**William C. Dear** has worked all over the world, predominately on homicide investigations. He began his career as a police officer in Miami, Florida, and in 1961, he opened his own investigation agency, William C. Dear & Associates Inc., in Dallas, Texas. Dear is a renowned and entertaining speaker at conventions, training, workshops, and banquets. As a certified instructor in the field of homicide, Dear lectures and teaches law enforcement around the world. He was also appointed by the court to the exhumation of Lee Harvey Oswald in 1981. Dear has received national and international acclaim on cases that made worldwide news coverage, most notably for the Dean Milo murder in Akron, Ohio, which resulted in eleven arrests and convictions—the most ever in U.S. history for a single murder case. Dear was inducted into the American

Police Hall of Fame on April 14, 1988, as a private investigator receiving the Archangel Award for the Milo murder case. He is also the author of *The Dungeon Master* about the disappearance of James Dallas Egbert III.

## **Users Review**

### **From reader reviews:**

#### **Lana Alvis:**
