Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures By Carl Zimmer

IN THIS REISSUED PAPERBACK EDITION WITH A NEW EPILOGUE, CARL ZIMMER REVEALS THE POWER, DANGER, AND BEAUTY OF PARASITES.

For centuries, parasites have lived in nightmares, horror stories, and the darkest shadows of science. In *Parasite Rex*, Carl Zimmer takes readers on a fantastic voyage into the secret universe of these extraordinary life-forms—which are not only among the most highly evolved on Earth, but make up the majority of life's diversity. Traveling from the steamy jungles of Costa Rica to the parasite-riddled war zone of southern Sudan, Zimmer introduces an array of amazing creatures that invade their hosts, prey on them from within, and control their behavior. He also vividly describes parasites that can change DNA, rewire the brain, make men more distrustful and women more outgoing, and turn hosts into the living dead. This comprehensive, gracefully written book brings parasites out into the open and uncovers what they can teach us all about the most fundamental survival tactics in the universe—the laws of Parasite Rex.

Users Review

From reader reviews:

Margert Lewis:

Why don't make it to be your habit? Right now, try to prepare your time to do the important act, like looking for your favorite e-book and reading a publication. Beside you can solve your condition; you can add your knowledge by the reserve entitled Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures. Try to face the book Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures as your buddy. It means that it can to become your friend when you experience alone and beside those of course make you smarter than ever. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know almost everything by the book. So , we should make new experience along with knowledge with this book.

Kim Marshall:

What do you concentrate on book? It is just for students since they're still students or that for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has distinct personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures. All type of book can you see on many options. You can look for the internet options or other social media.

Kaye Hensley:

The book with title Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures possesses a lot of information that you can understand it. You can get a lot of benefit after read this book. This particular book exist new understanding the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you with new era of the globalization. You can read the e-book with your smart phone, so you can read the item anywhere you want.

Houston Estes:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't

see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures can make you really feel more interested to read.
