Editorial Review

From the Back Cover

J. M. Synge was one of the key dramatists in the flourishing world of Irish literature at the turn of the century. This volume offers all Synge's completed plays, which range from racy comedy to stark tragedy, all sharing a memorable lyricism. The introduction to this new, definitive edition of Synge's plays sets them - and his other work - in the context of the Irish literary movement, with special attention to his role as one of the founders of the Abbey Theatre and his work alongside W. B. Yeats and Lady Gregory.

About the Author

Editor of The Collected Letters of J. M. Synge (OUP, 2 vols, 1983, 1984), Ann Saddlemyer is Professor of English and Drama, and Master of Massey College at the University of Toronto.

Users Review

From reader reviews:

Lisa Shumaker:

Book is usually written, printed, or descriptive for everything. You can learn everything you want by a book. Book has a different type. We all know that that book is important issue to bring us around the world. Next to that you can your reading proficiency was fluently. A publication Riders to the Sea will make you to possibly be smarter. You can feel far more confidence if you can know about everything. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they might be thought like that? Have you trying to find best book or appropriate book with you?

John Morris:

In this 21st hundred years, people become competitive in every single way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of the crowded place and notice through surrounding. One thing that sometimes many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive boost then having chance to stand up than other is high. For you personally who want to start reading any book, we give you this kind of Riders to the Sea book as basic and daily reading e-book. Why, because this book is more than just a book.

Pat Tran:

You could spend your free time you just read this book this book. This Riders to the Sea is simple to bring you can read it in the playground, in the beach, train and also soon. If you did not possess much space to bring typically the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Oliver Whitley:

As we know that book is important thing to add our understanding for everything. By a guide we can know everything we would like. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This guide Riders to the Sea was filled regarding science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a new book. If you know how big advantage of a book, you can truly feel enjoy to read a publication. In the modern era like today, many ways to get book that you wanted.
