Thai Reference Grammar By James Higbie

Written to meet the need of students and teachers of the Thai language for information on the advanced sentence structure of the language. The book will be welcomed by anyone learning the language past the beginning level and is an essential reference work for libraries and universities with an interest in Asia. Designed as a practical description of the spoken language, both the informal and formal varieties. Covers over 500 separate topics, providing some 2000 sample sentences, in typical idiomatic spoken Thai, for each topic.
