About the Author

Crane Brinton (1898-1968) was an American historian of France who taught as a professor at Harvard University from 1942 until his death. Before securing a position as a professor at Harvard, Brinton studied there as a student and received a Rhodes Scholarship allowing him to attend Oxford University, where he received his doctorate in philosophy (1923). Brinton's most famed work was his *The Anatomy of Revolution* (1938). During his lifetime he served as the president of both the American Historical Association and the Society for French Historical Studies.
