The Bank On Yourself Revolution: Fire Your Banker, Bypass Wall Street, and Take Control of Your Own Financial Future By Pamela Yellen

New York Times bestseller

Do you know what your retirement account will be worth on the day you plan to tap into it? Do you know what the tax rates will be for the rest of your life? Do you know how long you're going to live? Most people have no clue...and *that's* the problem with conventional financial planning: It's based on things you can't predict or control. Wall Street lost more than 49% of the typical investor's money – *twice* – since the year 2000. And studies show that because they followed the conventional wisdom, almost *half* of all Boomers won't have enough money to cover even basic living expenses during their retirement years. Now the financial gurus whose advice got you into this mess in the first place are telling you to "take more risk," "work till you drop," and "plan on spending less in retirement." Don't let them fool you again!

In *The Bank On Yourself Revolution*, financial security expert Pamela Yellen details how hundreds of thousands of people of all ages and incomes have bucked the system to secure their families' financial futures without gambling in the Wall Street Casino or taking any unnecessary risks. You'll discover a proven step-by-step plan for growing your wealth safely, predictably, and guaranteed *every* single year – even when the markets are tumbling. And you'll learn how to bypass banks, credit card and financing companies to become your *own* source of financing for cars, vacations, a college education, business expenses and other major purchases.

The Bank On Yourself Revolution isn't a "get-rich-quick" scheme; it's about having *real* wealth and financial security for as long as you live. You can *finally* know how much money you'll have next year, in 10, 20 or 30 years – and at *every* point along the way. Join the Revolution and take control of your own financial future!

—**John Jantsch, author of *Duct Tape Marketing***

"After reading *The Bank On Yourself Revolution*, you will actually be able to sleep at night instead of worrying about your financial future."

—**MaryEllen Tribby, #1 bestselling author of *Reinventing the Entrepreneur: Turning Your Dream Business into a Reality***

About the Author

Pamela Yellen is a financial security expert who investigated more than 450 savings and retirement planning strategies seeking an alternative to the risk and volatility of stocks and other investments. Her research led her to a time-tested, predictable method of growing and protecting wealth now used by more than half a million people. Pamela Yellen's first book, "Bank On Yourself: The Life-Changing Secret to Growing and Protecting Your Financial Future," is a "New York Times" bestseller.

Pamela has appeared on every major TV and radio network and served as a source for thousands of organizations and publications, such as the Associated Press, Fox News, "Bloomberg Businessweek," "Ladies' Home Journal," "Essence Magazine," "Aging Today" and AARP. You can find out more about Pamela Yellen and "The Bank On Yourself Revolution" at BankOnYourself.com.
