Trauma, Seventh Edition By Kenneth L. Mattox, Ernest E. Moore, David V. Feliciano

The definitive guide to trauma surgery?now in full color!

A Doody's Core Title for 2015!

The seventh edition, *Trauma* reaffirms its status as the leading comprehensive textbook in the field. With a new full-color design and a rich atlas of anatomic drawings and surgical approaches, *Trauma, 7e* takes you through the full range of injuries the trauma surgeon is likely to encounter. The book also features timely coverage that explains how to care for war victims who may require acute interventions such as amputation.

Supported by numerous x-rays, CT scans, plus informative tables throughout, this trusted reference begins with an informative look at kinematics and the mechanisms of trauma injury. Subsequent chapters provide useful background information on the epidemiology of trauma; injury prevention; the basics of trauma systems, triage, and transport; and much more. The next section meticulously reviews generalized approaches to the trauma patient, from pre-hospital care and managing shock, to emergency department thoracotomy and the management of infections. *Trauma* then delivers a clear organ-by-organ survey of treatment protocols designed to help you respond to any critical care situation with confidence, no matter what body system is involved. The remaining sections of the book will help you successfully handle specific challenges in trauma?including alcohol and drug abuse, and combat-related wounds?in addition to post-traumatic complications such as multiple organ failure.

FEATURES

- **NEW! Trauma Atlas** contains precise, concept-clarifying anatomical illustrations and proven surgical techniques that make common procedures more accessible than ever before
- High-yield section on specific approaches to the trauma patient prepares you for the wide spectrum of cases in trauma/critical surgery care, including: Disaster and mass casualty; Rural trauma; Management of shock; Post-injury hemotherapy and hemostasis; Emergency department thoracotomy; Diagnostic and interventional radiology; Surgeon-performed ultrasound; Anesthesia and

pain management; Infection;

- A-to-Z overview of the management of specific traumatic injuries;
- Detailed discussion of the management of complications

Editorial Review

Users Review

From reader reviews:

Barbara Richardson:

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They must answer that question since just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this kind of Trauma, Seventh Edition to read.

Kevin Miller:

The book untitled Trauma, Seventh Edition contain a lot of information on that. The writer explains the girl idea with easy method. The language is very clear and understandable all the people, so do certainly not worry, you can easy to read the idea. The book was published by famous author. The author will take you in the new period of time of literary works. It is possible to read this book because you can read on your smart phone, or device, so you can read the book with anywhere and anytime. If you want to buy the e-book, you can open their official web-site and also order it. Have a nice go through.

Ronda Powers:

As we know that book is essential thing to add our know-how for everything. By a guide we can know everything we want. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This guide Trauma, Seventh Edition was filled concerning science. Spend your spare time to add your knowledge about your technology competence. Some people has diverse feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a book. In the modern era like currently, many ways to get book that you just wanted.

Annie Hiatt:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach

Chinese's country. So , this Trauma, Seventh Edition can make you really feel more interested to read.
