Editorial Review

Review

“A Companion to J.R.R. Tolkien is an easy recommendation for any academic institution which offers a course in Tolkien studies, but would also do well on the shelves of an institution specialising in English literature.” (*Reference Reviews*, 1 October 2015)

“I highly recommend this volume and count it as one of the most important works of collected scholarship on Tolkien to date.” (*Journal of Tolkien Research*, 1 October 2015)

From the Back Cover

A Companion to J.R.R. Tolkien is a complete resource for scholars and students of one of the twentieth century’s most successful and influential authors. It provides an in-depth examination of Tolkien’s entire work by a cadre of top scholars. The essays introduce and analyze his life and works, from *The Hobbit*, *The Lord of the Rings*, and *The Silmarillion* to his lesser-known fiction and academic publications. They also explore the role of various themes and influences across his body of work, such as mythmaking, medieval languages, nature, war, religion, and the defeat of evil. The contributors situate Tolkien’s writing within the context of other literary periods and genres and analyze his influence on subsequent generations of fantasy writers. They also discuss the impact of his work on art, film, music, and gaming, from his lifetime to the present. Up-to-date and comprehensive, this survey of Tolkien studies reflects the continuing influence of his work on the literature and society of today.

About the Author

Stuart D. Lee is a member of the English Faculty at the University of Oxford. He is the University’s Reader in E-learning and Digital Libraries, a member of Merton College, and Deputy CIO at the University’s IT Services. He has studied medieval literature and the works of Tolkien for over 30 years. His research focuses on the impact of medieval literature on modern culture, and he lectures in Old English, Tolkien, and the Poetry of the First World War. He is co-author of *Key Concepts in Medieval Literature* (2006) and *The Keys of Middle-earth: Discovering Medieval Literature through the Fiction of J. R. R. Tolkien* (2005).

Users Review

From reader reviews:

Herman Nelson:

Book is usually written, printed, or descriptive for everything. You can learn everything you want by a book. Book has a different type. As it is known to us that book is important factor to bring us around the world. Close to that you can your reading talent was fluently. A publication *A Companion to J. R. R. Tolkien* (Blackwell Companions to Literature and Culture) will make you to always be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think that open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you looking for best book or appropriate book with you?

Shawn Stoltzfus:

What do you about book? It is not important with you? Or just adding material when you want something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every person has many questions above. They must answer that question simply because just their can do in which. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need that A Companion to J. R. R. Tolkien (Blackwell Companions to Literature and Culture) to read.

Rick Fairchild:

Why? Because this A Companion to J. R. R. Tolkien (Blackwell Companions to Literature and Culture) is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who all write the book in such remarkable way makes the content interior easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

Lisa Williams:

With this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become considered one of it? It is just simple approach to have that. What you must do is just spending your time very little but quite enough to enjoy a look at some books. One of the books in the top collection in your reading list is usually A Companion to J. R. R. Tolkien (Blackwell Companions to Literature and Culture). This book and that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking upward and review this reserve you can get many advantages.
