Editorial Review

"Anyone working with AutoCAD Civil 3D will treasure this book because it provides great information and direction to help both beginners and veterans alike become better at what they do." --Curt Moreno, author of the Kung Fu Drafter blog About the Author

This book was written by an author with practical, real world experience, not by academics or programmers. Rick Ellis understands not only how to teach the software, but also has many years of first-hand experience using the software to complete actual projects.

Rick Ellis has worked with and taught AutoCAD since the mid-90s, along with Civil 3D and other Autodesk products. He is the author of several critically acclaimed books on AutoCAD Civil 3D, AutoCAD Map 3D and Land Desktop. This practical background and approach has earned Rick high ratings as a speaker at Autodesk University, and a spot on the national speaker team for the AUGI CAD Camps.
