Come Back By Rudy Wiebe

From a 2-time winner of the Governor General's Literary Award, an intense novel of loss, memory and the limitless nature of family love.

Hal Wiens, a retired professor, is mourning the sudden death of his loving wife, Yo. To get through each day, he relies on the bare comfort of routine and regular phone calls to his children Dennis and Miriam, who live in distant cities with their families. One snowy April morning, while drinking coffee with his Dené friend Owl in south-side Edmonton, he sees a tall man in an orange downfill jacket walk past on the sidewalk. The jacket, the posture, the head and hair are unmistakable: it's his beloved oldest son, Gabriel. But it can't be--Gabriel killed himself 25 years ago. The sighting throws Hal's inert life into tumult. While trying to track down the man, he is irresistibly compelled to revisit the diaries, journals and pictures Gabe left behind, to unfold the mystery of his son's death. Through Gabe's own eyes we begin to understand the covert sensibilities that corroded the hope and light his family knew in him. As he becomes absorbed in his son's life, lost on a tide of "relentless memory," Hal's grief--and guilt--is portrayed with a stunning immediacy, drawing us into a powerful emotional and spiritual journey. *Come Back* is a rare and beautiful novel about the humanity of living and dying, a lyrical masterwork from one of our most treasured writers.

Editorial Review

Review

Praise for *Come Back*:

"Powerful, at times lyrical, *Come Back* gives voice to the depth of familial love and the strength of the human desire for answers in the face of inconsolable loss." *Winnipeg Free Press*

"*Come Back* lingers in the reader's mind and heart as a powerful and deeply felt spiritual biography."
Waterloo Regional Record

"A very real portrait of a grief-stricken father trying to piece together his son from unreliable scraps of information." *Edmonton Journal*

"*Come Back's* tone is kind, and maintains an ethic of honesty. Even its starkest passages are underwritten with a kind of grave acceptance.... But Wiebe's principal achievement in *Come Back* is his avoidance of consolation. There is no cure for the pain of premature loss. Longing for the missing loved one will tug at the heart, call that command in perpetuity. Wiebe makes us attend to the beauty of the call." *The Globe and Mail*

About the Author

RUDY WIEBE's novels, stories and essays stand at the forefront of Canadian literature. He is an Officer of the Order of Canada. He has won the Governor General's Literary Award for Fiction twice, for *The Temptations of Big Bear* and for *A Discovery of Strangers*. He is also the co-author of *Stolen Life*, which won the Viacom Canada Writers' Trust Non-Fiction Prize, the Saskatchewan Book Award for Non-Fiction and the Alberta Book Award, and was shortlisted for the Governor General's Literary Award for Non-Fiction. His memoir, *Of This Earth*, won the Charles Taylor Prize for Literary Non-Fiction and was a national bestseller.

Users Review

From reader reviews:

Jacquelyn Lopez:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family members or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book you read you can spent all day long to reading a guide. The book *Come Back* it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. If you did not have enough space to develop this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not too expensive but this book offers high quality.

Jose Banks:

In this period globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, magazine, book, and

soon. You can observe that now, a lot of publisher this print many kinds of book. The actual book that recommended to your account is Come Back this guide consist a lot of the information in the condition of this world now. That book was represented how do the world has grown up. The terminology styles that writer use for explain it is easy to understand. The writer made some investigation when he makes this book. Here is why this book suited all of you.
