### **In The Flesh** By Livia Dare, Sylvia Day

Some readers may remember this story as *Sapphire's Worth*. Written in 2004, a few brief excerpts were posted on my Web site and they were never forgotten--I've been receiving e-mail about Sapphire and Wulf ever since!

This was my second completed novel and although I have written many more since then, this Arabian Nights tale of seduction, power, and ultimate surrender holds a special place in my heart. Wulfric remains one of my favorite heroes. I hope he'll become one of yours as well!

With love,  
Sylvia

## Editorial Review

### Review

"This book will make you an instant fan." --*RT Book Reviews* Top Pick

"Lush, evocative, inventive...Livia Dare delights." --Shayla Black, *New York Times* bestselling author

### From the Back Cover

#### **AN INFAMOUS BEAUTY. A DARING WARRIOR...**

For five years, Sapphire has been the king of Sari's most treasured concubine. Independent at last, she refuses to put herself in anyone's control again. But now another's meddling has led her into the path of proud, arrogant Wulfric, Crown Prince of the rival kingdom of D'Ashier... a man who is dangerous to her in every way.

#### **AND A SEDUCTION THAT COULD DESTROY THEM BOTH**

The daughter of Wulfric's fiercest opponent, Sapphire is a prized warrior in her own right and highly skilled in the sensual arts--in short, Wulfric's perfect match. A lasting union is unthinkable, but the bargain they strike--to spend one night together, and then part--proves impossible in the face of a desire powerful enough to bring two countries to the brink of war, and two hearts to the point of surrender...

### About the Author

Sylvia Day is the #1 *New York Times* and #1 international bestselling author of more than a dozen award-winning novels sold in thirty-nine countries. ## Users Review

### From reader reviews:

#### **Paul Gay:**

Do you certainly one of people who can't read satisfying if the sentence chained in the straightway, hold on guys this kind of aren't like that. This In The Flesh book is readable through you who hate those perfect word style. You will find the facts here are arrange for enjoyable studying experience without leaving perhaps decrease the knowledge that want to offer to you. The writer of In The Flesh content conveys the thought easily to understand by many people. The printed and e-book are not different in the information but it just different as it. So , do you continue to thinking In The Flesh is not loveable to be your top record reading book?

**Amy Zambrano:**

The reason why? Because this *In The Flesh* is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

**Faye Bolin:**

Many people spending their time by playing outside having friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smartphone. Like *In The Flesh* which is finding the e-book version. So , try out this book? Let's observe.

**Katie Mueller:**

A lot of book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the very best book for you, science, comedian, novel, or whatever by searching from it. It is referred to as of book *In The Flesh*. You can contribute your knowledge by it. Without making the printed book, it could add your knowledge and make an individual happier to read. It is most significant that, you must aware about reserve. It can bring you from one destination to other place.
