**The Clash: U.S.-Japanese Relations Throughout History** By Walter LaFeber

### Winner of the Bancroft Prize.

When Commodore Matthew Perry sailed into Tokyo harbor in July 1853, opening Japan to the West, a century and a half of economic, cultural, and occasionally violent clashes between Americans and Japanese began. Walter LaFeber, one of America's leading historians, has written the first book to tell the entire story behind the disagreements, tensions, and skirmishes between Japan ? a compact, homogenous, closely knit society terrified of disorder ? and America ? a sprawling, open-ended society that fears economic depression and continually seeks an international marketplace. Using both American and Japanese sources, LaFeber provides the history behind the vicissitudes of rearming Japan, the present-day tensions in U.S.-Japan trade talks, Japan's continuing importance in financing America's huge deficit, and both nations' drive to develop China ? a shadow that has darkened American-Japanese relations from the beginning. "Broad and deeply researched. . . . *The Clash* is beautifully written, with clear arguments and no irrelevancies."?Gaddis Smith, *Boston Globe* "[This] work will easily become the best history of U.S.-Japanese relations in any language."?Akira Iriye, professor of history, Harvard University "[LaFeber] succeeds brilliantly. . . . [W]ell-researched, meticulously sourced and highly readable."?Don Oberdorfer, *Washington Post Book World* Photographs, illustrations and maps

### Users Review

#### From reader reviews:

##### Lila Smith:

Nowadays reading books be than want or need but also be a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining such as comic or novel. Typically the *The Clash: U.S.-Japanese Relations Throughout History* is kind of reserve which is giving the reader capricious experience.

##### Jeffery Bruce:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love *The Clash: U.S.-Japanese Relations Throughout History*, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

##### Louise Villanueva:

Your reading sixth sense will not betray a person, why because this *The Clash: U.S.-Japanese Relations Throughout History* book written by well-known writer whose to say well how to make book which might be

understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still skepticism The Clash: U.S.-Japanese Relations Throughout History as good book not only by the cover but also with the content. This is one publication that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

### **Mary Abrams:**

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, you think reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like The Clash: U.S.-Japanese Relations Throughout History which is keeping the e-book version. So , why not try out this book? Let's observe.
