Full-Color Poster included inside the cover!

18 And Life on Skid Row tells the story of a boy who spent his childhood moving from Freeport, Bahamas to California and finally to Canada and who at the age of eight discovered the gift that would change his life. Throughout his career, Sebastian Bach has sold over twenty million records both as the lead singer of Skid Row and as a solo artist. He is particularly known for the hit singles *I Remember You*, *Youth Gone Wild*, & *18 & Life*, and the albums *Skid Row* and *Slave To The Grind*, which became the first ever hard rock album to debut at #1 on the *Billboard* Top 200 and landed him on the cover of *Rolling Stone* magazine. Bach then went on to become the first rock star to grace the Broadway stage, with starring roles in *Jekyll & Hyde*, *Jesus Christ Superstar* and *The Rocky Horror Picture Show*. He also appeared for seven seasons on the hit television show *The Gilmore Girls*.

In his memoir, Bach recounts lurid tales of excess and debauchery as he toured the world with Bon Jovi, Aerosmith, Motley Crue, Soundgarden, Pantera, Nine Inch Nails and Guns N' Roses. Filled with backstage photos from his own personal collection, *18 And Life on Skid Row* is the story of hitting it big at a young age, and of a band that broke up in its prime. It is the story of a man who achieved his wildest dreams, only to lose his family, and then his home. It is a story of perseverance, of wine, women and song and a man who has made his life on the road and always will. *18 And Life On Skid Row* is not your ordinary rock memoir, because Sebastian Bach is not your ordinary rock star.

Editorial Review

Review

“In the hedonistic new memoir *18 and Life on Skid Row*, Sebastian Bach is brutally frank in his description of life on the road and exploits...Written in a funny, everyman style, *18 and Life* finds Bach as one of rock’s most affable frontmen.” (Rolling Stone)

“The soulfulness of Sebastian Bach’s new memoir caught me off-guard....The book’s personal stories are compelling...they’re what make *18 and Life on Skid Row* a captivating read.” (LA Weekly)

“[a] ribald and freewheeling memoir...often a delightfully trashy and salacious read. The overall impression one gets of Bach is of an outgoing and genial person...it works because of Bach’s puppyish enthusiasm-for music, yes, but also for booze, for drugs, and for sex in unusual places. Rock it up!” (AV Club)

“a wild ride of a memoir” (The Houston Press)

“the rock book that’s going to be hard to beat” (Las Vegas Weekly)

“give the gift of Baz this holiday season and get the Skid Row scoop via one of rock’s greatest frontmen.” (Vanyaland)

From the Back Cover

Sebastian Bach is the epitome of a front man. Loud, boisterous, handsome, incredibly talented, he was the electrifying singer of Skid Row, which took the world by storm with their platinum-selling songs “18 and Life,” “Youth Gone Wild,” and “I Remember You,” and were MTV mainstays, touring the world with their peers in the heady days when hard rock ruled radio and adorned the cover of rock magazines. In his exhilarating, whip-smart, and brutally honest memoir, Bach tells his story of Skid Row: the parties, drugs, and international tours with Mötley Crüe, Aerosmith, Bon Jovi, Pantera, Metallica, Slayer, Guns N’ Roses, as well as the singular voice that carried him through Skid Row’s heyday and kept him successful after they broke up. With typical Sebastian-esque scream and bravado, *18 and Life on Skid Row* reflects on the cost of fame, the price of creativity, and what it means to go from rock hopeful to rock star—with the attitude to match!
