Gin: A Global History (Edible) By Lesley Jacobs Solmonson

Mother's Milk, Mother's Ruin, and Ladies' Delight. Dutch Courage and Cuckold's Comfort. These evocative nicknames for gin hint that it has a far livelier history than the simple and classic martini would lead you to believe. In this book, Lesley Jacobs Solmonson journeys into gin's past, revealing that this spirit has played the role of both hero and villain throughout history.

Taking us back to gin's origins as a medicine derived from the aromatic juniper berry, Solmonson describes how the Dutch recognized the berry's alcoholic possibilities and distilled it into the whiskey-like *genever*. She then follows the drink to Britain, where cheap imitations laced with turpentine and other caustic fillers made it the drink of choice for poor eighteenth-century Londoners. Eventually replaced by the sweetened Old Tom style and later by London Dry gin, its popularity spread along with the British Empire. As people today once again embrace classic cocktails like the gimlet and the negroni, gin has reclaimed its place in the world of mixology. Featuring many enticing recipes, *Gin* is the perfect gift for cocktail aficionados and anyone who wants to know whether it should be shaken or stirred.

Editorial Review

Review

“This is a fascinating little book crammed with intriguing facts and topped off with cocktail recipes with names like ‘corpse reviver.’ It makes a person very thirsty . . . for knowledge, of course.”

(Daily Telegraph)

“*Gin: A Global History* and *Vodka: A Global History* are two delicious, well-mixed cocktails of history and booze. The first thing I learned from these books is alcohol’s long-lasting dual effect on society. . . . I also learned that every kind of liquor has its own story. In these handsomely bound little volumes, part of the Edible series from Reaktion Books, the authors retell the centuries-long and always fascinating stories of vodka and gin.”

(The Inquisitive Eater)

Lesley Jacobs Solmonson is a freelance writer and cofounder of the cocktail blog 12bottlebar.com. Her writings on food, wine, and spirits have been featured in *Wine Enthusiast*, *Gourmet*, *Dining Out*, and *C* magazine.

Users Review

From reader reviews:

Sandra Snyder:

You could spend your free time to learn this book this reserve. This Gin: A Global History (Edible) is simple to bring you can read it in the park, in the beach, train in addition to soon. If you did not possess much space to bring typically the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Richard Simpson:

Is it anyone who having spare time in that case spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Gin: A Global History (Edible) can be the solution, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Edna Barnett:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make

summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Gin: A Global History (Edible) can make you truly feel more interested to read.

Helen Widner:

A lot of people said that they feel uninterested when they reading a publication. They are directly felt this when they get a half portions of the book. You can choose the particular book Gin: A Global History (Edible) to make your own reading is interesting. Your current skill of reading talent is developing when you like reading. Try to choose straightforward book to make you enjoy you just read it and mingle the opinion about book and looking at especially. It is to be first opinion for you to like to available a book and go through it. Beside that the reserve Gin: A Global History (Edible) can to be your new friend when you're sense alone and confuse with what must you're doing of this time.
