Susan and Savannah are fraternal twins driven by their passions, as is their friend Megan. All listen to the midnight voice of Jared Snow, late-night disc jockey at WCIC in Rhode Island. When Megan is kidnapped, Savannah, a district attorney, enlists Snow's help while Susan stays with Megan's husband and falls in love with Sam, a detective. Sandra Burr captures the twins with strong voices and their love interests with husky voices, while Megan is aptly portrayed as meek and then insecure after her rescue. As the search for Megan's kidnappers progresses and the romances heat up, Burr's melodic voice goes into overdrive. M.B.K. © AudioFile 2003, Portland, Maine-- Copyright © AudioFile, Portland, Maine

Users Review

From reader reviews:

Theresa Gayle:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Next to that you can your reading talent was fluently. A reserve Heart of the Night will make you to become smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It isn't make you fun. Why they may be thought like that? Have you trying to find best book or suited book with you?

Arthur Lee:

Spent a free time to be fun activity to try and do! A lot of people spent their leisure time with their family, or their particular friends. Usually they accomplishing activity like watching television, going to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book is usually option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want

to try out look for book, may be the guide untitled Heart of the Night can be good book to read. May be it could be best activity to you.

Walter Taylor:

Many people spending their moment by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by reading a book. Ugh, you think reading a book can really hard because you have to take the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smart phone. Like Heart of the Night which is finding the e-book version. So , try out this book? Let's find.

Kate Vasquez:

Some people said that they feel uninterested when they reading a reserve. They are directly felt the idea when they get a half elements of the book. You can choose the actual book Heart of the Night to make your own reading is interesting. Your current skill of reading ability is developing when you like reading. Try to choose easy book to make you enjoy you just read it and mingle the idea about book and studying especially. It is to be initial opinion for you to like to open a book and go through it. Beside that the publication Heart of the Night can to be your brand-new friend when you're experience alone and confuse in doing what must you're doing of that time.
