The classic King James Version (KJV) was first published in England in 1611. Commissioned by King James I, it was the achievement of nearly fifty translators, who over four years revised the Bishop's Bible in the light of available Greek and Hebrew documents as well as other contemporary European translations. The result was the first Authorized Version, known to Americans as the King James Version. Subsequent editions, providing important corrections and standardizations, include the Cambridge edition of 1762, the Oxford edition of 1769 and Dr. F.H.A. Scrivener's Cambridge Paragraph Bible of 1873. Zondervan uses the Scrivener edition.
