Perilous Power: The Middle East and U.S. Foreign Policy Dialogues on Terror, Democracy, War, and Justice By Noam Chomsky, Gilbert Achcar, Stephan R. Shalom

The volatile Middle East is the site of vast resources, profound passions, frequent crises, and long-standing conflicts, as well as a major source of international tensions and a key site of direct US intervention. Two of the most astute analysts of this part of the world are Noam Chomsky, the preeminent critic of U.S. foreign policy, and Gilbert Achcar, a leading specialist of the Middle East who lived in that region for many years. In their new book, Chomsky and Achcar bring a keen understanding of the internal dynamics of the Middle East and of the role of the United States, taking up all the key questions of interest to concerned citizens, including such topics as terrorism, fundamentalism, conspiracies, oil, democracy, self-determination, anti-Semitism, and anti-Arab racism, as well as the war in Afghanistan, the invasion and occupation of Iraq, the Israeli-Palestinian conflict, and the sources of U.S. foreign policy. This book provides the best readable introduction for all who wish to understand the complex issues related to the Middle East from a perspective dedicated to peace and justice.

Editorial Review

Review

"During their in-depth and riveting discussion, Chomsky and Achcar review the modern history of the U.S. involvement in the Middle East and discuss many of the nuances that are left out of the sound-bite loving news cycle."

?Foreword

About the Author

Gilbert Achcar, who lived in Lebanon for many years before moving to France, now teaches politics and international relations at the University of Paris. He is the author of several books on contemporary politics and is a frequent contributor to *Le Monde Diplomatique*.

Noam Chomsky, Professor of Linguistics at the Massachusetts Institute of Technology, is the author recently of *Hopes and Prospects* (2010) and *Power and Terror* (Paradigm 2011). His articles and books revolutionized the contemporary study of linguistics and his political writings are widely read and translated throughout the world. In 2003 a profile of Chomsky in the *New Yorker* described his influence as one of the most cited scholars in history.

Stephen R. Shalom, author of the Preface, is a professor at William Paterson University.

Users Review

From reader reviews:

Aaron Jack:
