Sugar: A Novel By Bernice L. McFadden

"Think Zora Neale Hurston... *Sugar* speaks of what is real."—*The Dallas Morning News*

From an exciting new voice in African-American contemporary fiction comes a novel *Ebony* praised for its "unforgettable images, unique characters, and moving story that keeps the pages turning until the end." *The Chicago Defender* calls *Sugar* "a literary explosion... McFadden reveals amazing talent."

A young prostitute comes to Bigelow, Arkansas, to start over, far from her haunting past. Sugar moves next door to Pearl, who is still grieving for the daughter who was murdered fifteen years before. Over sweet-potato pie, an unlikely friendship begins, transforming both women's lives—and the life of an entire town.

Sugar brings a Southern African-American town vividly to life, with its flowering magnolia trees, lingering scents of jasmine and honeysuckle, and white picket fences that keep strangers out—but ignorance and superstition in. To read this novel is to take a journey through loss and suffering to a place of forgiveness, understanding, and grace.

McFadden is the author of the novels *Gathering of Waters*, *Glorious*, and *This Bitter Earth*.

Editorial Review

Amazon.com Review

Bernice L. McFadden's first novel begins with the brief, poetic description of a crime so startling that the reader is helplessly drawn in, as if a bright red door stood ajar on a bleak and forbidding house. Pearl Taylor's daughter, Jude, has been found murdered and mutilated near a field at the edge of town. "The murder had *white man* written all over it," writes McFadden. "But no one would say it above a whisper. It was 1940. It was Bigelow, Arkansas. It was a black child. Need any more be said?" In the years that follow, Pearl catches sight of Jude in so many strangers that when Sugar Lacey comes to town and sets up her unwholesome "business" in the house next door, she doesn't know whether to believe what she sees in Sugar's face: a striking similarity to Jude, dead 15 years. In her sedate but supple prose--rising at times to a light, unforced lyricism in the description of landscape or character--the author perfectly renders the closed and protective society of a small Southern town, the superstitions, gossip, and prying. Although the men of Bigelow are happy enough to have Sugar around, the women do their best to drive her off. Only Pearl is drawn to Sugar, managing to look beyond the rumors surrounding her new neighbor, whose dismal life, she tells Pearl, "had no crossroads." Eventually Pearl shows Sugar the ballerina-topped jewelry box in which she keeps snapshots of her dead daughter.

Sugar lifted the lid and saw herself staring back at her. She jerked as if struck. Her hands were shaking as she lifted the first of many pictures from the box. Jude rolling in the grass, Jude swimming in the lake, Jude sleeping, Jude laughing. Sugar's head was swimming. If someone had brought these pictures to her and said, 'Here you are in the life you can't recall,' she would have believed every word of it and ignored the slight differences that remained between Jude and herself. Jude's smaller nose and thinner lips, her rounder eyes and fuller brow. But the smile was the same; sure and solid. Sugar knew that smile, it was her own.

Slowly, the secret connections between Jude and Sugar unfold against a backdrop of suspense and the return of violence. This is an ambitious and feeling debut from a promising writer. --*Regina Marler*

From Publishers Weekly

With her eponymous anti-heroine, debut novelist McFadden breaks the mold of a venerable stereotype. Here, the hooker with a heart of gold is instead a hooker with a past so tarnished no amount of polishing can change her fate. As a baby, Sugar is abandoned by her mother and raised by a trio of prostitutes who run an Arkansas bordello. Turning tricks at age 12, and leaving town four years later to try her luck in St. Louis and then Detroit, brings more degradation, along with an ever-hardening heart. Upon her mother's death in 1955, Sugar is willed a modest home in Bigelow, Ark., but when she moves into town, and supports herself the only way she knows, the female population rises in wrath against her. All except Pearl, Sugar's next-door neighbor, who more than a decade ago lost her beloved daughter, Jude, to a vicious rapist/murderer. Pearl is struck by Sugar's uncanny likeness to Jude, and is determined to become Sugar's friend in spite of vocal disapproval. Although the two women are opposites in nearly every way, they bring out the best in each other: Sugar convinces Pearl to loosen up and accompany her to a Saturday night juke joint, and Sugar promises to go to church for two months of Sundays. Hypocritical gossip spreads among the townsfolk and tension grows when it turns out that nearly every married man in Bigelow pays a visit to Sugar, leaving the apparently frigid wives planning to run Sugar out of town. Pearl gives it her best shot to transform Sugar, but both women's painful pasts come back to haunt them in a crescendo of violent reenactments, betrayals and surprising revelations leading to a poignant, bittersweet ending. While hampered by a forced and compressed backstory, a surfeit of maudlin moments and some overwriting that is inadvertently funny, this ambitious

first novel will appeal to readers who can appreciate Sugar's determination to come to terms with her past and fashion a viable future. Agent, James Vines. (Feb.)

From Library Journal

McFadden's debut novel is an earthy slice of life in a small Southern town. When Sugar, a prostitute who never had a chance for love or a normal life, moves into the house next door to Pearl, a matron who lost her spirit after the murder of her daughter 15 years before, the two women form a bond strong enough to withstand even the most vicious gossip. But secrets from both of their pasts may prove too much even for these two compelling women, and Sugar must choose between her dreams for something better and the people she has learned to love. McFadden captures the full character of small-town life and the strengths and weaknesses of its people. This novel of friendship and loss is an excellent addition to the growing body of work by young African American writers. Recommended for all libraries.

Users Review

From reader reviews:

Elizabeth Brock:

Reading a publication tends to be new life style within this era globalization. With examining you can get a lot of information that will give you benefit in your life. Using book everyone in this world could share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this Sugar: A Novel.

Henry Evans:

Do you have something that you want such as book? The guide lovers usually prefer to choose book like comic, short story and the biggest an example may be novel. Now, why not striving Sugar: A Novel that give your fun preference will be satisfied by reading this book. Reading practice all over the world can be said as the method for people to know world a great deal better then how they react toward the world. It can't be mentioned constantly that reading habit only for the geeky particular person but for all of you who wants to always be success person. So , for every you who want to start reading as your good habit, you can pick Sugar: A Novel become your personal starter.

Donald Jones:

Your reading 6th sense will not betray an individual, why because this Sugar: A Novel reserve written by well-known writer who knows well how to make book that may be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your current hunger then you still question Sugar: A Novel as good book not simply by the cover but also by content. This is one guide that can break don't assess book by its cover, so do you still needing an additional

sixth sense to pick this!?! Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Lillian Burbank:

A lot of e-book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the most effective book for you, science, witty, novel, or whatever by simply searching from it. It is called of book Sugar: A Novel. You can contribute your knowledge by it. Without leaving behind the printed book, it could add your knowledge and make a person happier to read. It is most significant that, you must aware about e-book. It can bring you from one destination to other place.
