The Psychology of Superheroes: An Unauthorized Exploration (Psychology of Popular Culture) By Robin S. Rosenberg, Jennifer Canzoneri

In *The Psychology of Superheroes*, almost two dozen psychologists get into the heads of today's most popular and intriguing superheroes. Why do superheroes choose to be superheroes? Where does Spider-Man's altruism come from, and what does it mean? Why is there so much prejudice against the X-Men, and how could they have responded to it, other than the way they did? Why are supervillains so aggressive? *The Psychology of Superheroes* answers these questions, exploring the inner workings our heroes usually only share with their therapists.
