Alchemy and Kabbalah in the Tarot: The Keys of Radical Spiritual Transformation By Samael Aun Weor

The most ancient sciences in the world are Alchemy and Kabbalah, which constitute the practical, spiritual knowledge hidden in the depths of every great religion and mystical tradition. Modern scientists are only recently discovering what these ancient teachings have always known: that we are a part of a multidimensional universe, and that our consciousness, our awareness, can expand to perceive matter and energy that are invisible to the flesh. Just as physics and chemistry illuminate our understanding of the physical world, Alchemy and Kabbalah constitute a scientific method to awaken the consciousness and fully develop the human being, opening the doors to vast worlds that are hidden from the physical senses. This awakening or alchemical birth requires a precise scientific method, for everything that exists depends upon causes and conditions. Hidden in centuries of mystical texts and obscure drawings are the specific instructions that lead towards the opening of their inner senses and the entrance into a higher life. The Philosopher's Stone, the secret of transmuting lead into gold, and many other sacred mysteries long restricted to initiates who had proven their trustworthiness were publicly revealed for the first time by the author Samael Aun Weor. These mystical sciences are hidden in the twenty-two primary Tarot cards, whose origins and precise meanings have never before now been publicly revealed. Now, see for yourself how these ancient traditions are all truly one science. Discover the keys to unlock the mysteries hidden in scriptures, mystical texts, and enigmatic images, and most importantly the mysteries hidden within us.

Editorial Review

About the Author

The name Samael Aun Weor is Hebrew and is pronounced sam-ayel on vay-ohr. Samael Aun Weor wrote over sixty books, gave thousands of lectures, and formed the worldwide Gnostic Movement, whose members number in the millions. And yet, in spite of his wisdom and generosity towards mankind, he said: "Do not follow me. I am just a signpost. Reach your own Self-realization." His lifelong mission was to deliver to humanity the total and exact science to develop the complete human being, that mysterious and ancient wisdom long hidden in the bosom of every great religion.

Excerpt. © Reprinted by permission. All rights reserved.

There are two types of kabbalists: intellectual kabbalists and intuitive kabbalists. The intellectual kabbalists are black magicians, whilst the intuitive kabbalists are white magicians. Many times the sidereal gods answer our questions by showing us a Tarot card; we must intuitively comprehend the answer that is given onto us. Intuitive kabbalists comprehend what destiny held in reserve to them by just seeing any card of the Tarot. Gnostic Kabbalah is the doctrine of practical Christification. We do not theorize here. This is a one hundred percent practical work. Many students long for their Christification but they do not know where to start, because they do not know the clue, the secret. Here we give away the clue, the secret, the key, to every student. Here is the clue, thirsty lovers of the truth: now practice. You are not alone. We love you profoundly, thus when you tread on the path of the razor's edge, you will be internally assisted by the brethren of the temple. In this course we deliver the clue of resurrection. We have torn the veil of the sanctuary. Here you have all the secrets; here are all the clues of Christification. Here is written the doctrine that the Adorable taught in secret to his humble disciples. The Adorable One will remain with us until the end of times. This is his doctrine. Here you have it: study it and practice it.

Users Review

From reader reviews:

Andrew Hall:

Book is written, printed, or created for everything. You can recognize everything you want by a reserve. Book has a different type. To be sure that book is important matter to bring us around the world. Beside that you can your reading skill was fluently.
