Alfred Kropp: The Seal of Solomon (Alfred Kropp Adventures Book 2) By Rick Yancey

Before *The 5th Wave*, there was Alfred Kropp. This second book in Rick Yancey's lauded series was called a "rip-roaring story that teens will love" in *School Library Journal's* starred review.

Things have just settled down for Alfred, when he's suddenly kidnapped and forced to face a terrible threat--the Seal of Solomon. For millennia, the fallen angels of heaven were controlled by the ring. Now the ring has been stolen, and if it's not recovered, all hell will break loose . . .

Packed with thrills and laughs on every page, the second book in *New York Times* bestselling author Rick Yancey's series proves once again that heroes can come from anywhere, and anyone. Perfect for fans of James Patterson!

Praise for *The Extraordinary Adventures of Alfred Kropp*:
A *Publishers Weekly* Best Children's Book of the Year
Carnegie Medal nominee
Book Sense Children's Pick

Editorial Review

From School Library Journal

Starred Review. Grade 8–10—The Seal of Solomon has been stolen from the Office of Interdimensional Paradoxes and Extraordinary Phenomenon (OIPEP) by one of its own operatives, so once again the services of Alfred Kropp are needed. Alfred is an ordinary 15-year-old boy, slightly overweight, tall, with a big head, who gets bullied in the halls of his local high school. Of course, this same Alfred has blood that can heal, is the last son of Sir Lancelot, and is the sole heir to the Samson fortune. His is a name known by all and his mistakes are the kind that can end the world as we know it. As the Outcasts of heaven are released, readers follow Alfred through many fast-paced adventures, starting when he is kidnapped from his foster home in Tennessee and taken to many parts of the world. The teen hero parachutes out of airplanes, faces demons, and has a plan to save the world, if he can live long enough to carry it through. A great book for boys, as well as reluctant readers, *The Seal of Solomon* tells a rip-roaring story that teens will love and won't be able to put down.—*June H. Keuhn, Corning East High School, NY*

From [Booklist](#)

Alfred Kropp, the hero of *The Extraordinary Adventures of Alfred Kropp* (2005), returns as the unlikely rescuer who can save the world from certain destruction. At the story's beginning, Alfred is a bullied high-school sophomore, living with indifferent foster parents. Then demons, imprisoned 3,000 years earlier in a vessel by King Solomon, escape and start to spread destruction around the globe. The mysterious organization established to prevent this sort of catastrophe proves ineffective in battling the supernatural foes. Clumsy, awkward Alfred turns out to be a descendant of Sir Lancelot, and he is called upon to battle the forces of darkness in a series of wild, often violent, and surreal confrontations. Readers won't have to have read the first title to enjoy this over-the-top adventure fantasy. Yancey manages a balancing act, blending action-packed scenes with tongue-in-cheek humor and occasional heart-on-sleeve sincerity.

Morning, Todd

Review

PRAISE FOR THE EXTRAORDINARY ADVENTURES OF ALFRED KROPP 'The story of how under-achieving Alfred brings the Arthurian legend up to date is fast-moving, funny and wonderful fuel for junior compensatory day-dreams.' Nick Tucker, *Independent* 'An action-packed read, with plenty of blood, intrigue and men in suits to please a generation used to the Tom Clancy prefix before their videogames. Perfect kidult movie fodder once a certain boy wizard is out of the limelight.' *SFX magazine* 'An outsize teenage descendent of Sir Lancelot engages in James-Bond style exploits in this bizarre but entertaining contemporary American take on Arthurian legends. Lively adolescent appeal.' Kate Agnew, *Guardian Children's Supplement* 'Great characters, thrilling sword fight scenes, a terrific plot with plenty of twists and turns and a great climax. I simply couldn't put it down, and I'll bet plenty of other boy readers will feel just the same.' TES
