How To Make Fishing Lures - Polymer Jigs with 18 Plans By Don Lokke

This eBook contains 18 intermediate polymer jig designs. Fishing lures should be pure fun. Whether you are interested in an afternoon project or heirloom quality custom jigs, these designs are a great place to start.

You are participating in a tradition that began before recorded time. It all started with stone carved fishing hooks and spears. While commercial lures may have evolved into highly sophisticated electronic devices, lure designs have always been an expression of man's creativity. It started with our struggle to survive and feed our families. So if you have to justify your actions to a doubting spouse or dumbfounded children, just explain that you are honing your survival skills and can't help it, go back to your lure construction muttering to yourself and hope they don't hide your fishing license.
