Nietzsche's Teaching: An Interpretation of "Thus Spoke Zarathustra" By Laurence Lampert

The first comprehensive interpretation of Nietzsche's *Thus Spoke Zarathustra*—an important and difficult text and the only book Nietzsche ever wrote with characters, events, setting, and a plot. Laurence Lampert's chapter-by-chapter commentary on Nietzsche's magnum opus clarifies not only *Zarathustra's* narrative structure but also the development of Nietzsche's thinking as a whole.

"An impressive piece of scholarship. Insofar as it solves the riddle of *Zarathustra* in an unprecedented fashion, this study serves as an invaluable resource for all serious students of Nietzsche's philosophy. Lampert's persuasive and thorough interpretation is bound to spark a revival of interest in *Zarathustra* and raise the standards of Nietzsche scholarship in general."—Daniel W. Conway, *Review of Metaphysics*

"A book of scholarship, filled with passion and concern for its text."—Tracy B. Strong, *Review of Politics*

"This is the first genuine textual commentary on *Zarathustra* in English, and therewith a genuine reader's guide. It makes a significant and original contribution to its field."—Werner J. Dannhauser, Cornell University

"This is a very valuable and carefully wrought study of a very complex and subtle poetic-philosophical work that provides access to Nietzsche's style of presenting his thought, as well as to his passionately affirmed values. Lampert's commentary and analysis of *Zarathustra* is so thorough and detailed. . . that it is the most useful English-language companion to Nietzsche's 'edifying' and intriguing work."—*Choice*

Selected as one of *Choice's* outstanding academic books for 1988
