Reflections on Life After Life By Dr. Raymond Moody

Here are more exciting first-hand accounts that life after death may actually exist, gathered by Dr. Raymond Moody, the world's leading authority in the field of near-death experiences. After the publication of his groundbreaking international bestseller, *Life After Life*, Dr. Moody was overwhelmed by the response from medical professionals and individuals who wanted to share similar stories. In *Reflections*, he conducts further case studies that reveal common descriptions of cities of light, a realm of confused spirits, and divine judgment of one's actions in life. Moody also looks at historical examples and discusses reactions from clergy.

Dr. Moody's groundbreaking international bestseller, *Life After Life*, first published in 1975, established the field of NDE research. He is the author of eleven books and has appeared numerous times on national television programs, such as NBC Today and Oprah. In addition to conducting ongoing research into the paranormal, Moody trains doctors, nurses, hospice workers, and others in all aspects of his work.
