College Reading and Study Skills (12th Edition) By Kathleen T. McWhorter, Brette M Sember

***College Reading and Study Skills* teaches reading, critical thinking and study skills for today's diverse students, encouraging them to apply these integrated skill sets to their coursework and future academic success.**

Kathleen McWhorter wrote *College Reading and Study Skills*, primarily, for courses that are half reading, half study skills. Emphasizing comprehension and metacognition, *College Reading and Study Skills* approaches reading and study skills as essential skills necessary for college success. The text focuses on reading and learning as a cognitive process, encouraging students to approach reading as an active mental process of selecting, processing, and organizing information to be learned.
