Editorial Review

About the Author

Istvan Reiman, former Chair of Geometry at the Budapest University of Technology, has been guiding the Youth Mathematical Circle of the J. Bolyai Mathematical Society and directing the preparation of Hungarian students for the annual International Maths Olympiad for forty years. In addition, he has been one of the leaders of the Hungarian delegation for some thirty years, and for his dedication to the organization of mathematical competitions, was awarded the Paul Erdos Award by the World Federation of Mathematics Competitions in 2000.

Users Review

From reader reviews:

Sheila Rocha:

The book International Mathematical Olympiad 1959 - 1999 has a lot of information on it. So when you make sure to read this book you can get a lot of profit. The book was written by the very famous author. The writer makes some research before write this book. This particular book very easy to read you will get the point easily after perusing this book.
