Mansfield's Book of Manly Men: An Utterly Invigorating Guide to Being Your Most Masculine Self By Stephen Mansfield

Witty, compelling, and shrewd, *Mansfield's Book of Manly Men* is about resurrecting your inborn, timeless, essential, masculine self.

The Western world is in a crisis of discarded honor, dubious integrity, and faux manliness. It is time to recover what we have lost.

Stephen Mansfield shows us the way. Working with timeless maxims and stirring examples of manhood from ages past, Mansfield issues a trumpet call of manliness fit for our times.

“My goal in this book is simple,” he says. “I want to identify what a genuine man does?the virtues, the habits, the disciplines, the duties, the actions of true manhood?and then call men to do it.”
