**Serpent Tide Book 2: Widow's Revenge (Serpent Tide Series)** By K.L. Fogg

You would think that having a famous adventurer for a dad would make your life a little easier. But for Wesley Mackey, his father's fame seems to only make the eighthgrader a giant target. The school bully's torments never end. So, in a flash of inspiration, or perhaps desperation, Wesley courageously takes matters into his own hands-and promptly gets kicked out of school. Then things really spiral out of control. Soon Wesley finds that managing a bully is nothing compared to handling kidnapers, wild animals, and a woman who wants him to call her Mom. Now it seems his fate will be determined by the actions of his seemingly geeky new tutor and his family and friends.

You won't be disappointed when you join Wesley Mackey and his new family on a thrilling and original adventure that will keep you racing through the pages of Widow's Revenge.
