Strike! By Jeremy Brecher

Since its original publication in 1972, no book has done as much as Jeremy Brecher's *Strike!* to bring American labor history to a wide audience. *Strike!* narrates the dramatic story of repeated, massive, and sometimes violent revolts by ordinary working people in America and tells this exciting hidden history from the point of view of the rank-and-file workers who lived it. In this expanded edition, Brecher brings the story up to date with revised chapters that cover the 40 years since the original edition, placing the problems faced by working people today in the context of 140 years of labor history. A new chapter, "Beyond One-Sided Class War" presents the American minirevolts of the 21st century from the Battle of Seattle to Occupy Wall Street and beyond. Essential reading for anyone interested in the historical or present-day situation of American workers, this updated classic serves as inspiration for organizers, activists, and educators working to revive the labor movement today.

Editorial Review

Users Review

From reader reviews:

Jose Goodell:

Nowadays reading books are more than want or need but also turn into a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with training books but if you want truly feel happy read one having theme for entertaining like comic or novel. The particular Strike! is kind of e-book which is giving the reader unforeseen experience.

Stuart Ross:

Don't be worry should you be afraid that this book can filled the space in your house, you may have it in e-book approach, more simple and reachable. This particular Strike! can give you a lot of friends because by you investigating this one book you have factor that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This publication offer you information that might be your friend doesn't understand, by knowing more than different make you to be great men and women. So , why hesitate? Let me have Strike!.

Freddie Hoops:

That publication can make you to feel relax. This kind of book Strike! was vibrant and of course has pictures on the website. As we know that book Strike! has many kinds or type. Start from kids until teens. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore , not at all of book are usually make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading that.

Mary Crouch:

A lot of publication has printed but it differs. You can get it by web on social media. You can choose the top book for you, science, comedy, novel, or whatever simply by searching from it. It is known as of book Strike!. You can contribute your knowledge by it. Without making the printed book, it could add your knowledge and make an individual happier to read. It is most important that, you must aware about reserve. It can bring you from one place to other place.
