The Sixties: Cultural Transformation in Britain, France, Italy and the United States, c. 1958 - c. 1974 By Arthur Marwick

If the World Wars defined the first half of the twentieth century, the sixties defined the second half, providing the pivot on which modern times have turned. From popular music to individual liberties, the tastes and convictions of the Western world are indelibly stamped with the impact of that tumultuous decade. Now one of the world's foremost historians provides the definitive look at this momentous time. Framing the sixties as a period stretching from 1958 to 1974, Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution--one that raged most clearly in the United States, Britain, France, and Italy. Writing with wit and verve, he brilliantly recaptures the events and movements that shaped our lives: the rise of a youth subculture across the West; the impact of post Beat novels and New Wave cinema; the sit ins and marches of the civil rights movement; Britain's surprising rise to leadership in fashion and music; the emerging storm over Vietnam; the Paris student rising of 1968; the new concern for poverty; the growing force of feminism and the gay rights movement; and much more. As Marwick unfolds his vivid narrative, he illuminates this remarkable era--both its origins and its impact. He concludes that it was a time that saw great leaps forward in the arts, in civil rights, and in many other areas of society and politics. But the decade also left deep divisions still felt today.

Written with tremendous force of insight and narrative power, *The Sixties* promises to be the single most important account of the single most important decade of our times.

Editorial Review

Review

"Marwick has made genuine contribution, first in affirming the reality of the cultural revolution as it manifested itself in so many spheres of life; then in showing how that revolution permeated and transformed mainstream society; and finally in putting it all in an international perspective, exposing the differences and yet basic similarities provided by the perspective."--*The Washington Post Book World*

"An ambitious synthesis.... Mr. Marwick's prodigious research and encyclopedic scope will make this book a helpful and entertaining reference work for a time to come."--*Washington Times*

About the Author

Arthur Marwick is one of Britain's leading social and cultural historians. He has been Professor of History at the Open University since 1969, and is the author of a number of best-selling history books, including *The Nature of History* and *British Society since 1945*.

Users Review

From reader reviews:

Jesica Demarco:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby per other. Don't to be pressured someone or something that they don't need do that. You must know how great and important the book *The Sixties: Cultural Transformation in Britain, France, Italy and the United States, c. 1958 - c. 1974*. All type of book can you see on many resources. You can look for the internet solutions or other social media.

Milford Garrett:

What do you concerning book? It is not important with you? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy individual? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of *The Sixties: Cultural Transformation in Britain, France, Italy and the United States, c. 1958 - c. 1974* to read.

Martha Furman:

Does one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try and pick one book that you just don't know the inside because don't assess book by its deal with may doesn't work the following is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appearance likes.
